**Kristen Gramling of Serve Lewisville Joins LNR**

During his last official meeting as LNR president, Eyad Salloum inducted Kristen Gramling, operations director for [Serve Lewisville](#), as the club's newest member.

"I am thrilled to be a part of Lewisville Noon Rotary," said Gramling, who admitted she was not familiar with the work of Rotary International before joining Serve Lewisville last year. "I want to be more involved and immersed in the community," she said, adding, "I already feel like I am in the right place."

Kristen and her husband, Garrett, live in Oak Point and have two young daughters. We are excited to welcome her into the Lewisville Noon club.

## Salloum Ignites Interest in the DACdb Mobile App

For his final week as LNR club president, Eyad Salloum gave a detailed overview of the Ignite mobile app from DACdb, the club's new management and communication platform.

The app is available for both Apple and Android devices and has a flame icon, shown here. Among its many features, the Ignite mobile app makes it possible to check your account balance and pay dues, update your account information, search the member directory, and email members from your phone or tablet.

“You can send messages through the app to different members,” Salloum noted, as well as automatically share photos from service projects and special events to the club's Facebook page. Questions? Reach out to Eyad at (972) 544-6400 or [eyad@thecasateam.com](mailto:eyad@thecasateam.com) for support or visit [DACdb.com](http://DACdb.com).

## Prayer Requests - July 2, 2024

We are praising the good news that Dr. Audrey Stansbury is officially a grandmother! Her daughter was due with her first child on July 17th, but doctors induced labor early in light of health concerns. Harvey Bennett Cook was born on June 27th weighing a healthy 6 lbs. 7 oz. and mom and baby are doing great. Congratulations, Audrey!

Please send prayer requests or praise reports to be included here to Melissa DeWitt at [mdewitt1977@gmail.com](mailto:mdewitt1977@gmail.com).
