LNR Mourns the Loss of Steve Griffin

Steve Griffin posed with motivational speaker and former Dallas Cowboys defensive tackle Chad Hennings during a video shoot celebrating the 50th anniversary of the Lewisville Area Chamber of Commerce in 2012. [Click photo to open full-size image.](#)

The Lewisville Noon Rotary is mourning the loss of Steve Griffin, a decades-long Rotarian and pillar of the community. Details about the memorial service will be made available to club members as soon as possible. In the meantime, please keep Steve's family and close friends in your prayers. All of Steve's fellow Rotarians are deeply saddened by the news of his passing.

Additional prayer requests for Family of Rotary can be sent to Melissa DeWitt at mdewitt1977@gmail.com.

Foundation Improves Quality of Life for Disabled Individuals Through Movement

The Lewisville Noon Rotary club last week was delighted to welcome speaker Julie Brown, PT, DPT, PhD, PCS, a guest of Dr. Audrey Stansbury. Dr. Brown spoke about the important work of the Enabling Movement Foundation, which she and Joan Cain, OTR founded.

Dr. Brown has been a physical therapist for 25 years and took early retirement in June 2023 from her position with the school district as a physical therapist treating special education children with mobility impairments. Her dream was to open an adaptive gym with specialized equipment to give the disabled the same opportunities as able-bodied individuals for exercise, movement, and recreation. To this end, she co-founded the Enabling Movement Foundation, a 501(c)(3) organization established to support the health and well-being of disabled individuals.

The Enabling Movement Foundation aims to improve the quality of life for the disabled by offering community programs with specialized equipment to promote physical movement through adaptive technologies, such as overhead harnesses and cruising cycles. The non-profit is actively seeking donations to fund the construction of an adaptive gym and is looking for adult volunteers to help serve its constituents. To learn more or get involved, visit www.enablingmovement.com.
