PROGRAM FOR July 12, 2024

Speaker/Program for July 12, 2024 Meeting

Our Esteemed guest today was District 5810 Governor Regina Edwards. Gov. Edwards brings with her a plethora of offices she's held in Rotary throughout her 27 years in Rotary International. She's made over 25 international service trips to 7 different countries. She's a strong believer in the Magic of Rotary, our new 2024-25 RI motto. Plano Sunrise Rotary is only one of over 60 clubs in District 5810. Gov Edwards goals for our District are four new clubs and 100 retained and new members. She's working hard to enhance participation, eradicate polio, expand our reach, increase our appeal, provide outstanding leadership and skills training and offer more and new opportunities for personal and professional growth. The District 5810 Roundtables will be held monthly, starting in August, at the Dallas College, Brookhaven Campus. PSR's President Neal Norton presented Governor Edwards a check for \$100 toward her and her husband's charity of choice, the Alzheimer's Association.

After Governor Edward's program, Neal Norton was presented with the coveted car fender for him to keep during his presidency! Honk Honk! The meeting closed with Larry Craghead leading the 4-Way Test!

New Member Alert

We publish the person who wants to be part of club for a week so members get an opportunity to know them, and so they can do the same with us. If there are no objections the Plano Sunrise Rotary board votes on that person the following week. At the end of one week, if no issues are raised, then he will be invited to become a new member of PSR (with a candlelight ceremony, of course).

Today, Dr. Darrell Hartley was honored with a candlelight ceremony and induction into our club. Dr, Hartley was sponsored by Richard Amato. Please take time to get to know Darrell and welcome him to our club. Thank you Darrell for joining us. We look forward to working along side you on our many efforts in Plano.

Guests

See Secretary Report...

Secretary's Report

The secretary reports each week on how many members are in attendance. The Secretary also announces guests and who invites them. If members can not be at a meeting, they can attend another Rotary club meeting or help with community projects like LovePacs, Blood Drives, or Love Where you Live as a make-up. Just report the make-up to the secretary in an effort to perfect attendance in service to the community.

Our attendance today was 61% of our members present. Our visitors were Immediate Past President Robert Aasen who received a plaque and gavel for his year of service as President of the Plano Sunrise Rotary, Dr. Darrell Hartley came as a guest of Richard Amato and was inducted as the 29th Member of the Plano Sunrise Rotary! Welcome Darrell!
