Social media moment: Beth Rogers reported that a great time was had by all at the Rotary Happy Hour at Tower Tee on August 8; however, the group had so much fun that no one took a picture of the festivities.

Happy Bucks: Greg Luzecky shared that his family has expanded with the arrival of his first grandchild Evelyn June – Congratulations Greg! H.R. Sheevam recounted his adventurous trip with his daughter to Death Valley and Area 52. H.R. admitted the "residents" of Area 52 temporarily invaded his body, and convinced him to hand over the keys to his rental car to his 12 year-old daughter to "drive the dunes."

Guest Speaker: Our guest speaker today was Officer Dion Olson, who is the Community Relations Officer with the Crestwood Police Department. Officer Olson is "not from here" and aspires to return to "there" when he retires in eight years. He shared the somber reality of policing and the challenges in attracting new recruits to the Police Force. We thank Officer Olson for his thorough presentation and immediate call to action.

Raffle Wally Littlefield won \$24 in the raffle but had "left the building." Fortunately, he was saved by Eric Chamberlain, who secured the winnings for him, but failed to select the red marble.

We ended our meeting with the Four Way Test.
