The Crestwood Sunset Hills Rotary Club met in person and via zoom at noon on the 17th day of August, 2022 at the Emerson Facility in the Beaumont Scout Reservation. There were 16 members in attendance and one guest, Emma DeGuere, our new exchange student from Belgium. The meeting was chaired by our past president, Beth Rogers, and opened with the Pledge of Allegiance, led by George Brand, Jr. Our Club was treated to hamburgers, hotdogs and chips by member/Boy Scout representative Joey Stokes.

Emma DeGuere shared a Moment of Gratitude that she is excited to be in St. Louis and starting at Lindbergh High School next week. She is from a small town in Belgium, has completed high school, and plans to study International Marketing in college when she returns home. She enjoys shopping and spending time with her family and boyfriend. We are excited the exchange program has resumed and look forward to having Emma as our guest regularly. Emma speaks English very well (along with French, Dutch and Spanish) and we encourage members to include her in their family activities whenever possible.

Social media moment: Beth Rogers was willing to have a Social media moment but the lack of Wi-Fi precluded this modern day virtual experience.

Happy Bucks: George Brand, Jr. was very happy to "be back home again" at the Boy Scout Reservation; Karen Baudendistel was happy about the removal of the traumatic fibroma invading her mouth and her ability to speak again now that the swelling had subsided; Coach Bee was happy Karen could speak again.

Guest Speaker: Our guest speaker today was member Joey Stokes, who shared interesting information about the Beaumont Scout Reservation. The facility boasts fishing, a climbing wall, the Emerson hall, horseback riding, camping, and hiking. The Scouts are now co-ed and offer outdoor activities to Cub Packs (K-5th grade) and Scouts (grades 6-12). The Reservation hosted campers for seven weeks this Summer, along with one week of STEM-related activities. We thank Joey for hosting our meeting and feeding us today!

Raffle There was not a raffle today.

We ended our meeting with the Four Way Test.
