The Crestwood Sunset Hills Rotary Club met in person and via zoom at noon on the 24th day of August, 2022 at Jubilee Church. There were 17 members in attendance and two guests: prospective member Stephen Rauh (Simmons Bank) and speaker Stephen Butz. The meeting was chaired by our past president, Beth Rogers, and opened with the Pledge of Allegiance, led by Karen Baudendistel. Karen shared a Moment of Gratitude that the community appears to be back to normal again and that her business continues to grow.

Announcements:

- The next parking lot clean-up is scheduled for 8:00 am –September 3, 2022 at the commuter parking lot at I-270 and Gravois Rd.
- The August 26, 2022 Breakfast meeting will be at 7:30 a.m. at Yokelore Cafe.
- Speakers for future meetings are always needed. If anyone knows of someone who would like to speak at one of our weekly meetings, please contact Randy Martin.
- We celebrated Karen Baudendistel's birthday today with a boisterous round of signing Happy Birthday. Karen brought cookies for the group and enjoyed many birthday wishes.
- The first FTK packing event was on August 20, 2022 at 9:00 and was a tremendous success. This event is held at Truman Elementary School, located at 12225 Eddie & Park Road, St. Louis, MO 63127. It was highlighted by the contributions of many seasoned Rotarians, new Rotarians, Rotary family members, and 14 Rotarians in training (children). Romy Uelk's daughter Nora (age 6) was basically in charge of the event and will be giving out the orders at future packings.
- Additional drivers are needed to support the FTK program. Please contact Karen Schuster if you can help.

Social media moment: Beth Rogers shared a great picture of the FTK gang on the loading dock, with a special tribute to Bob Sanders, who was a stalwart at FTK events.

Happy Bucks: Sweetie Gandhi was happy that school is back in session (expressing the sentiments of every honest parent on Earth); Karen B was happy to share that her daughter Meghan had received a full time offer of employment from Amazon as a data analysis and would (hopefully) be off the Baudendistel payroll come June 1, 2023; George Brand, Jr. was happy his wife was home from the hospital; Bob Brandewiede shared his excitement for his upcoming trip to London; and Beth Rogers expressed her happiness that her daughter had secured a new job in digital media services.

Guest Speaker: Our guest speaker today was Stephen Butz. Stephen is the Missouri representative for District 81 (selected portions of St. Louis City). He is the oldest of 11 children, married his high school sweetheart, and has six adult children, all of whom pay their own cell phone bills. Stephen offered a unique, inside view of the workings of the Missouri legislature, touching on a variety of topics including term limits, income tax rates, and special sessions. He encouraged everyone to participate in the political process to strengthen community confidence in the fairness of elections.

Raffle Karen Baudendistel won \$16 in the raffle today but did not find the red marble. The pot continues to grow and there are very few white marbles left. The odds are in your favor!

We ended our meeting with the Four Way Test.
