Club Assembly

CLUB ASSEMBLY

Today was our Luncheon and Club Assembly at the Sunset Hills Community Center. Among the topics discussed were organizing club committees, potential new activities for our club, the commuter lot cleanup and the Governor Cups Challenge.

Crestwood Sunset Hills Rotary

July 30, 2025
RotaCrest Bulletin

The Crestwood - Sunset Hills Rotary Club met at the Sunset Hills Community Center at 12:00 Noon on July 30, 2025. The meeting opened with the Pledge of Allegiance. There were 23 members in attendance and 1 guest, Laura Enge of Scouting America.

Karen Schuster presided at the meeting.

Announcements:

Bob Brandewiede gave a report on our Crestwood – Sunset Hills Foundation.

Karen Schuster led a discussion on the benefits of creating committees within our club. She also spoke about the possibility of setting up a Satellite Club.

Karen also mentioned our Commuter Lot Cleanup on the first Saturday of every month. Very few members help with this, and it would make the job much easier if more members were involved.

On Wednesday, August 6, we will meet at Watson Trail Park, located at 12450 West Watson Road, one block West of Lindbergh Blvd. This will be our summer barbeque, and we will be at Shelter A, closest to the tennis courts. Lunch will be \$20 per person.

The next InterCity Meeting will be Tuesday, October 14, starting at 12:00 Noon, at High Ridge Rotary Club. More information on this meeting will follow.

All board meetings this Rotary year will be on the second Wednesday of each month at the Sunset Hills Community Center, immediately following our regular luncheon meeting. All members are invited to attend.

Birthday: Eric Chamberlain was our scheduled birthday person this week, and brought dessert for all to enjoy. Happy Birthday, Eric!

Happy Bucks: Bob Brandewiede, John Haasis, Randy Shed, Jim Simpson, HR Sheevam, George Brand Jr.

Raffle: George Brand Jr. won \$15, but did not pick the red marble worth \$112. Our contribution to Polio Plus stands at \$43.

The meeting closed with our Four-Way Test. | Submitted by: Randy Martin
