Announcements

Please remember to look at the Program Schedule later in this Newsletter and arrange a speaker for our meetings. You don't have to provide all the technical details to the speaker BUT you will need to provide David Robinette with the speaker information so that he can contact the speaker with all the details. An updated program calendar is attached. You will notice MOST of the weeks are blank. Please help to keep the Club going by finding a program for your assigned week.

ZOOM Information for this Week's meeting

In an effort to keep the number of Pmails to our members at a minimum, we are putting in the meeting information in this newsletter. There will not be a separate Pmail sent out with this information.

Please join us on Wednesday, April 7th as we host Kaitlyn Venta, from Scholarship Central. She will give us an update on the Scholarship process and how they work with the students not only to find them but also to assist them.

Last Week's Program

Program Speaker and Recap:

We were joined by Past District Governor Randy Feldmann who was the Vice-Chair of the New Orleans Convention - a position he held for for 9 years. They had planned to have the New Orleans Convention in 2004, but Hurricane Katrina postponed it until 2011. Randy explained some of the behind-the-scene activities and ideas that were done (and some discarded) along the way. He also explained his passion for Rotary and how we do get things done.
