### Announcements

We were pleased to welcome Prospective member Heather Simpson (no relation to Carolyn!) to our meeting today. Heather is a 2007 graduate of Ritenour School District, an Air Force Veteran and is interested in growing her community involvement. She was a guest of Jerry Nolen (Mr. Nolen to her). We hope to see more of Heather over the coming weeks.

Please remember to look at the Program Schedule later in this Newsletter and arrange a speaker for our meetings. You don't have to provide all the technical details to the speaker BUT you will need to provide David Robinette with the speaker information so that he can contact the speaker with all the details. An updated program calendar is attached. You will notice MOST of the weeks are blank. Please help to keep the Club going by finding a program for your assigned week.

### ZOOM Information for this Week's meeting

In an effort to keep the number of Pmails to our members at a minimum, we are putting in the meeting information in this newsletter. There will not be a separate Pmail sent out with this information.

This coming week is DISTRICT CONFERENCE WEEK. This is our own District Governor Tom Drennan's Conference and will be held DAILY. The link will open at 11:45 each day with some District and Rotary videos and other information. The Conference itself kicks off at 12:05 each day and ends at or before 1pm.

Each day has a different theme, as you have seen from the various District mailings you have received. Please join us EACH DAY, USING THE SAME LINK to explore all of what Rotary has to offer!

Our regular meeting on Wednesday morning WILL BE MOVED to the Wednesday District Conference meeting.

### District 6060 Virtual Conference - Registration OPEN NOW!

#### **ONE WEEK TILL DISTRICT CONFERENCE Registration now open!**

District Conference Week aspires to expand access, participation, and therefore impact by offering an exciting **week of daily one-hour experiences** that allow much broader engagement by the thousands of Rotarians in our District. To enhance access, all sessions will be hosted on Zoom.

Rotarians from throughout the District and beyond are invited to **register at [www.Rotary6060.org](http://www.Rotary6060.org)** to participate at **no charge in all five one-hour experiences**, or in as many of these virtual lunchtime/Noon gatherings as possible.

Each day will be packed with inspiration and insight designed to enhance the energy, potential and possibilities for Rotary Clubs and our Members throughout the District.

Programming will begin officially at **Noon each day**, however we encourage Rotarians to join us at 11:45 to see fellow Rotarians throughout the District featured in various slide presentations each day. The packed agenda for each day will last no longer than one hour out of respect for the busy lives and important schedules of Rotary members.

Since many Rotary clubs in our District meet at Noon, we are encouraging clubs to invite all members from their respective clubs to participate in **watch parties** during their regular meeting time during this special week. Of course, watch parties are welcomed every day of the District Conference Week.

For more information, please see the District website: [www.Rotary6060.org](http://www.Rotary6060.org) or check out our Facebook group named **Rotary Intl District 6060 Rotarians**.

The registration is now open and can be found [HERE](#).

### Last Week's Program

**Program Speaker and Recap:**

Thanks to Ann for arranging our speaker, Kaitlyn Venta. Kaitlyn works with My Scholarship Central and gave a good overview of how the Scholarship program works, how it developed and how they want to continue it. She discussed how COVID, remote (virtual) learning and other factors have played into not only the student end of the scholarship applications but also those like our own Club who give out scholarships.

For information on that and all the other updates, please click on this [LINK](#).
