ZOOM Information for this Week's meeting

In an effort to keep the number of Pmails to our members at a minimum, we are putting in the meeting information in this newsletter. There will not be a separate Pmail sent out with this information.

Please join us on Wednesday, April 7th as we host Randy Feldman, from New Orleans. As the Vice Chair for the 2011 Rotary Convention in New Orleans, Randy will share some insights on what happens behind the scenes.

He is an Assistant Rotary Coordinator for Zone 31, Secretary of the USA Section of the USA-France Intercountry Committee, and member of the Advisory Board of the Disaster Network of Assistance ♦ Rotary Action Group. He is past Governor of Rotary District 6840, past President of the Rotary Club of New Orleans and has been a member of the Rotary International Communications Committee.

He was Vice Chair of the Host Organization Committee of the 2011 International Convention in New Orleans. At both the New Orleans and Seoul International Conventions he was a panel leader at the general sessions and at the Atlanta Convention led a breakout group on effective service projects. At the Presidential Peace Conference in Atlanta, he was aide to United Nations Deputy Secretary-General, Amina J. Mohammed, and was R.I. President Ian Riseley ♦s Representative at the District 5160 Conference in Lake Tahoe, Nevada, USA and was President Barry Rassin ♦s Representative at the District 6330 Conference in Kincardine, Canada.

For Zones 30/31 he has led a full day seminar for executive staffs in clubs and districts and co-led the full day seminar for Emerging Rotary Leaders. He also produced Zone webinars on membership and public relations, especially created for small clubs. For the Hamburg Convention he was Assistant Promotion Coordinator for Zones 30/31.

For District 6840, he initiated the District ♦s first strategic planning process, co-chaired the Annual Fund, prepared the District ♦s first job descriptions for all positions and Club Leadership Objectives for all club incoming officers and committee chairs, created best practices papers on membership, public relations, fund-raising (including ideas for use during COVID-19), and vocational service, and has been Master of Ceremonies at many District Conferences ♦ Governors ♦ Banquets. During his term as District Governor, he achieved records in Annual Giving and PolioPlus donations, as well as creating a 100-day service project which reached over 100,000 citizens. He has been a trainer for the Rotary Leadership Institute and the Ole Man River Presidents-elect Training Seminar. And he created a Course Catalog for all live instruction offered to district Rotarians.

As a member of the Rotary Club of New Orleans, he organized a regional conference on business ethics, brought first Internet service to St. Xavier ♦s English School/Orphanage in a remote part of west Sikkim Province, India, chaired the public relations, program, and international service committees, and led the installation of many of his club presidents as well as being president of the Club himself. Most recently, he founded the committee which leads the Club ♦s response to emergencies in times of disaster.

In his professional life he spent 35 years in public broadcasting, culminating in 22-years as President & General Manager of WYES in New Orleans in 2012. During this time, he was recipient of numerous PBS development awards and the first 21st Century Award from the Association of Public Television Stations on whose board he also served. He was co-founder of the (public television) Small Station Association and has numerous national production credits, including Executive Producer of several PBS specials.

He has served on the boards of a variety of organizations including Red Cross, the Louisiana Endowment for the Humanities and Statewide Bank and was selected as a Young Leadership Council Role Model.

Mr. Feldman is the proud stepfather of four incredible children and is now starting to lose count of all the grandchildren and great grandchildren. He is married to Dr. Madelaine and lives with her without the stepchildren et al in New Orleans.

VOLUNTEERS NEEDED

Bryan Hercules is looking for 5 or so volunteers and a few that would be willing to be 'substitutes' for the APRIL 10, 2021 COVID Vaccination event he will have at Wild Acres Park, in the Banquet Center (the old gym building).

As a Club, we felt this would be a way to provide service to our Community and assist one of our members at the same time. No....you will NOT be giving the shots! However, you would assist with Registration, After-Shot duties, etc.

Please contact Bryan by email at bhercules1717@gmail.com to let him know you can help or if you have any questions.
