Announcements

This week's meeting will be IN-PERSON ONLY. Our tech folks (Dave R., Jerry N, and Mitch W.) are all out of town. Bryan and Josh (our almost-new member) will be setting up for the speaker, but this will not include a Zoom link. Sorry for any disappointments you may have.

Happy Bucks and Fines

Happy Bucks:

- **David Robinette** is looking forward to their San Diego vacation next week; sorry to have missed the gathering at 6-Mile Bridge, but was 'busy' prepping for his colonoscopy (all is good).
- **Al DeMattais** was happy for a great day and a great week
- **Tom Drennan** had a nice bike ride, somewhat ruined by the Mini-Cooper's battery dying.
- **Dan Flynn** apologies to the Club for missing part of the last meeting due to work calling.
- **Dave Mohler** 'just because'
- **Bryan Hercules** great weekend with their son and daughter-in-law in KC

Fines:

- **Ruth Randall** may have been late

Joke (Groaner) of the Week

One-Liners to brighten your day

- Adam & Eve were the first ones to ignore the Apple terms and conditions.
- 250 lbs here on Earth is 94.5 lbs on Mercury. No, I'm not fat. I'm just not on the right planet.
- What's the difference between ignorance and apathy? I don't know and I don't care.
- I spent a lot of time, money, and effort childproofing my house... But the kids still get in.
- Maybe if we start telling people their brain is an app, they'll want to use it.
- A blind man walked into a bar... And a table... And a chair...
- I always take life with a grain of salt. And a slice of lemon. And a shot of tequila.

Last Week's Program

Program Speaker and Recap:

Our speaker last week was our own Al DeMattais. While being a new member of Rotary, Al reflected on what Rotary is and what it means to him. He believes that Rotary is a way to facilitate yourself around the world, to better the world.

He also explained some about his military career and took questions regarding where he was stationed, his favorite assignment and other items.

Thanks for helping us know you better, Al!

Upcoming Meetings

Meeting Dates and Program:

You will see the Weekly Program individuals below. Please notify David Robinette of your program so the calendar and newsletter are current. Also, if there are any specific 'technical' needs the speaker requires, please let David know.

And, as we are meeting hybrid, the speaker can be from anywhere. A Zoom link will be sent to the speaker in advance to ensure all works properly.
