Guest Speakers

On March 31 the two newest students of the month joined us via Zoom. There is not a shortage of outstanding students in Camdenton.

We also had a busines meeting and confirmed the new date for the Sudsy Supper and reviewed how DACdb can be useful to members. We are not taking advantage of all the tools within DACdb and hope to learn more about the available features.

Additional information about the students of the month, Sudsy Supper and DADdb can be found in separate articles.

Upcoming Speakers

- April 7 - Mary Kay and Tom from Ozark Amphitheater
- April 14 - Ethen Shackleford from Daybreak Rotary will join us and tell us about their annual fundraiser.
- April 21 - TBD
- April 28 - TBD

The Rotary will make a donation in honor of each speaker to provide 10 polio vaccinations in our effort to eliminate the disease around the world. If you have an idea for a future speaker, please contact one of the officers or one of the individuals assigned to secure upcoming speakers.

Sudsy Supper Date Change

Due to a scheduling conflict we need to move the Sudsy Supper up two weeks to September 10, 2021. During the March 31 business meeting this was approved.

We really need to start selling tables. We hope to have a flyer for you to use as a selling tool before the end of the month. The Sudsy Supper is sponsored by Central Ozarks Medical Center and will be held at Seven Springs Winery.

Students of the Month

Congratulations to **Irelyn Meckley and Eli Griffon** on their selection as Rotary Students of the Month. They both joined us during our meeting on March 31. Each

student will receive a check that they can use towards their future education. During the meeting they will share a bit about their activities achievements and future aspirations. Below is information they have shared with us.

My name is Irelyn Meckley, and I am currently a senior at Camdenton High School. My family and I have lived at the Lake of the Ozarks for the past four years, since my father retired from his 20 year career in the United States Army. While at Camdenton, I have participated in a number of extracurricular activities as well as community service organizations including: National Honor Society, Key Club, Science Research, LASER 3284 Robotics, Girl's Swim Team, A+ Program, and Girl's Track and Field. Some of my favorite school activities have been my participation in the science research program and the Lady Laker swim team. I have been accepted into the Aerospace Engineering Program at the Georgia Institute of Technology, beginning in the fall of 2021. I would like to get a job as an engineer for a private or federal defense contractor like SpaceX, Boeing, Lockheed Martin, or DARPA to help develop the next generation of aerial technologies.

My name is Eli Griffin and I am a resident of Montreal, Missouri. I grew up in Montreal on a small farm. I have three siblings: an older sister and brother and a younger sister. All of us attend or graduated from Camdenton Schools. Starting around fifth grade, I went to work for my grandparents at Farris Fruit and Vegetable Market, a store that recently celebrated their fiftieth year of business in Camdenton. I have been blessed to grow up at the Lake of the Ozarks where I enjoy spending time boating, skiing, and hiking at one of several local state parks.

As a student, I enjoy a variety of extracurricular activities including football, track, powerlifting, athletic leadership club, Missouri Boys State, Math club, Science Club, and more. I love being involved with my community and I am an active member and volunteer at the Camdenton United Methodist Church and I am on the Chamber of Commerce Camden County Leadership board. I am fortunate to have grown up in a community that encourages youth to be involved, offering us a wide range of service opportunities.

My brother graduated in 2018 from Camdenton High School. He now attends the United States Coast Guard Academy. Watching him take on the challenges presented by this unique opportunity encouraged me to also apply to our nation's Service Academies. With the relentless support of my teachers, counselors, principal, family, and coaches; I was able to secure a Senatorial Nomination from Senator Blunt and a Congressional Nomination from Congresswoman Vicky Hartzler along with appointments to the United States Merchant Marine Academy and the United States Coast Guard Academy. I was also admitted into the Virginia Military Institution, Norwich University, and Embry-Riddle.

Because of the amazing support offered from within my community, I feel honored and confident to take on the challenges awaiting me in the very near future. After attending either USMMA or USCGA, I will receive a commission as an officer into our great nation's military service. Today, I am honored and humbled to be the recipient of recognition as the Rotary Club's Student of the Month. I wish to close by stating my gratitude for this recognition, knowing that it will serve to motivate me, even more, to accomplish my goals, and allow me to continue to serve my community and my country.

King of Clubs

King of Clubs fund is \$165 with 29 cards remaining.

There was some discussion about adding the Chat feature to our Zoom meetings so that virtual attendees can also participate in the King of Clubs (along with Pink Bucket and Happy Dollars). We would also need to determine how to connect to a payment feature. If you would like to research this please let Heather or Tom know.

Four Way Test

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
 2. Is it **FAIR** to all concerned?
 3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
 4. Will it be **BENEFICIAL** to all concerned?
