Fundraising for Helias Tuition.

By Carolyn J Perry on Monday, May 6, 2019

Now that we know we will be hosting a young woman from Switzerland, it is time to secure a place for her in a local high school. We believe it is very important to send her to Helias next year, so it is on us to raise the funds for the tuition. **Our goal is to collect \$3000 by June 1.** Checks can be made out to Rotary Breakfast Club and given to Patrick Prenger. Donations are tax-deductible. Let's work together to get the funding raised right away!

Rotary Scholarships

By Carolyn J Perry on Tuesday, May 21, 2019

At our May 15 meeting, Tom Quinn presented the Rotary Scholarships to four graduating seniors: Grace Stiefferman from Helias; Bethany McCullough and Natalie Weams from JCHS; and Abby Doggett from Trinity Lutheran. All four women were very impressive; thanks to the selection committee (Doug Hayter, Connie Vaughan, Julia Prullage, Tom Quinn, and Nicole Slusser) for bringing us such excellent scholarship recipients

30th Anniversary Celebration.

By Patrick Prenger on Tuesday, May 21, 2019

The Jefferson City Breakfast Rotary Club celebrated its 30th anniversary on Sunday, May 19th, at Scheppers Distributing Company at 3:00 in the afternoon. It was great to be able to honor the founding members who are such an important part of our club today: Stan Hutson, David Linsenbardt, Allen Laffoon, Dan McPherson, and Larry Vincent. Thanks to Nicole and Julia for an excellent presentation, to the founding members for their dedication and for sharing their memories, and to everyone who came out to celebrate. A special Thank you to Carrie Tergin and Stephan Stark for your help in getting the original charter!

Last weeks Program

By Carolyn J Perry on Tuesday, May 21, 2019

Our guest speaker last Wednesday was Carol Davit, the Executive Director of the Missouri Prairie Foundation. Carol taught us all about the importance of native plants to our ecosystems and to our economy. The Missouri Prairie Foundation seeks to protect and restore prairie and other grassland communities, to promote the use of native plants, and to help control the spread of invasive plant species. Carol also brought extensive educational materials for club members so that we can do our part in supporting the Foundation's mission. For more information, check out the Foundation website: www.moprairie.org.
