Outbound Students Present.

By Carolyn J Perry on Monday, May 13, 2019

Olivia Taylor and Joey Wagner, our two outbound students, came to our meeting to tell us all about their plans for next year. Joey, who is finishing her junior year at Helias, will spend the year in France. She explained how she became interested in studying abroad when our club members came to present at Helias, and she expressed no regrets about having to miss her final year of high school in Jefferson City (as she said about missing out on senior year classes, games, prom, etc: ♦But I♦ll be in **France**.♦ And that said it all). Olivia is a freshman at Simonsen 9th Grade Center, so she will spend her sophomore year abroad. She was inspired by her brother♦s Rotary year, and she was eager to take part herself as soon as possible. She is also happy to go as a sophomore so that she can spend her final two years in Jefferson City♦s new high school. Olivia will be studying in Italy. Both young women made excellent presentations and convinced the Club that they will represent us well.

Kit's Travels

By Carolyn J Perry on Monday, May 13, 2019

Kit Freudenberg is back from her travels in Europe. A highlight was visiting Rotary in Saverne, France, which connected her to a historian who served as a tour guide for three days, showing Kit many places where her father had been. Kit brought back a Saverne Rotary Club banner to share with the Club.

Teachers Appreciation

By Patrick Prenger on Friday, May 10, 2019

TEACHER APPRECIATION WEEK! Today our club wanted to show some of our teachers how much we appreciate their dedication and hardwork to our community youth, so we took care of lunch. Club members delivered pizzas to Thomas Jefferson and Lewis & Clark Middle Schools.

We wouldn't have been able to make it happen without the help of Little Caesar's Pizza. They graciously opened up a couple hours early to make the pizzas and helped load them all. THANK YOU LITTLE CAESAR'S PIZZA!

We hope a little pizza brightened a few teacher's day!

Fundraising for Helias Tuition.

By Carolyn J Perry on Monday, May 6, 2019

Now that we know we will be hosting a young woman from Switzerland, it is time to secure a place for her in a local high school. We believe it is very important to send her to Helias next year, so it is on us to raise the funds for the tuition. **Our goal is to collect \$3000 by June 1.** Checks can be made out to Rotary Breakfast Club and given to Patrick Prenger. Donations are tax-deductible. Let's work together to get the funding raised right away!
