Inbound RYE Student Presents to the Club

By Julia Prullage on Monday, September 23, 2019

Noemie Audemars gave a presentation to introduce herself to our club this week, and she was amazing. Born in Le Chenit, Switzerland, with a Swiss father and a Beninese/Niger mother, Noemie reminded us she is Swiss. Noemie described in words and pictures her family, her town, and her country. Of course, she also reminded us that Switzerland is known for unbelievable chocolate and superb watches. Noemie's presentation was well done and her English shows how hard she is working to become truly fluent. If you missed the meeting, I suggest that you take time to get to know Noemie, maybe arrange to take her to a favorite event this year, museum, sports event, or concert.

Building Community Bridges Update

By Julia Prullage on Monday, September 23, 2019

Lorenzo Davis of Building Community Bridges, along with Jeanne Burgess and Angie Abbott, gave us updates on the wonderful work and progress happening at Building Community Bridges. Lorenzo gave us a glimpse at how he and his family came to live in Jefferson City and the determination they have to give something back to their new community. Jeanne Burgess and Angie Abbott spoke of the 1st Annual \$10,000 Dinner fundraiser Building Community Bridges is hosting October 10, 2019. This is a reverse drawing with many great prizes along the way to the grand prize winner. Dinner is by Chef FeFe, so it will be a treat. This is an inspirational grassroots service to our community. started by Lorenzo Davis's family and friends, who through hard work and perseverance are making a tremendous difference in Jefferson City. I encourage all to support Building Community Bridges any way you can.

Sergeant at Arms Needed -- Time to Step Up

By Carolyn J Perry on Monday, September 23, 2019

We need to select a Sergeant at Arms asap; please seriously consider stepping up and serving. The purpose of the Sergeant at Arms is to familiarize an individual member with the mechanics of our club's programs and events in order to be ready to lead the club in two years' time (after the President Elect). The duties of the Sergeant at Arms include managing the meeting facility's equipment, assuring proper decorum for the conduct of an orderly meeting, greeting guests, and other duties as may be prescribed by the President or by the Board. He/she should also be ready to learn about the workings of the club and to assist with activities and fundraisers.

1st Service Project ♦ Fall Trash Pick Up on Missouri Blvd is Saturday October 19, 2019, at Orscheln ♦s from 8:00 am ♦ 9:00 am. It ♦s a great way to support our community and get some exercise. It only takes about an hour, but the results are seen by everyone who travels Missouri Boulevard. Meet at Orscheln ♦s (the former K-Mart) on Missouri Blvd. Bring gloves --- trash bags and safety vests are provided.

2nd Service Project ♦ Sign Veterans Day Cards on October 19, 2019, meeting at Panera from 9:30 am ♦ 10:30 am. Veterans Day is coming up and we are out of regular weekly meetings to have a card signing. As we have done in the past, we are signing cards to send to Veterans at the Veterans Nursing home. This will take place after the trash pickup, so those who have picked up trash and wish to get a cup of coffee and sign a few cards still can. If you are unable to pick up trash but still would like a service project, this is for you. So, stop by sign a few cards and chat with fellow Rotarians. Cards will be provided; bring your favorite pen or use one of ours.
