

April 23, 2019

Dear Fellow Rotarians:

There is a board meeting tonight. I would appreciate those on committees attend if they possibly can to make sure we have a record of all that they have accomplished.

Thank you for participating in making many young girls and boys happy this Easter! While we have probably seen enough plastic Easter eggs until next year, the work and camaraderie at Dottie's house was a good time for a good cause! A big thank you for Jim Libey who has unselfishly logged our Rotary activities and hours, among other required inputs in DACDB. The Food Fight on Easter Saturday went well and the Salvation Army now has a lot of good food thanks to our team and those of the other Jefferson City Rotary Clubs.

Tonight, Joe Pestka of the Javiation company, "Airport Master Plan" will be our guest speaker. He will discuss what we will learn what it takes to run an airport! **Next week we will meet at a restaurant for a social gathering. Where will be decided and communicated tonight.**

On April 27 we will be going to Camp Wonderland, planning to arrive at 10:00AM and leave for home at 5:00PM. Our intent will be to see the bathroom floors our grant paid for and to clean up the plant with power washers, as needed. Jim Libey can provide more details.

DO NOT FORGET THE SIMPLIFIED GRANT! WE HAVE TO GET YOUR IDEAS TO DETERMINE WHAT GRANT WE WANT TO WRITE BY MAY 15!!! We have some great ideas and they will be discussed tonight.

Have we chosen a place for Officer Installation yet? Time is short in terms of finding a place that can accommodate us all!

The May 7 non-golf event, dinner and other events needs participants to make it successful! Please make plans to join the event in some capacity!

The Power of Women in Rotary Conference will be held May 11 from 11:00AM-4:00PM at 3600 Amazonas Drive. The cost is \$25.00.

I will see you all in about 9 hours! Have a good week!

Angie
