

Dear Rotarians!

Tonight is the BIG CHAOS GOLF Tournament, and the Jefferson City Evening Rotary's meeting tonight will be held at Turkey Creek Golf Center where rounds of "Chaos Golf" will be played and a fantastic dinner along with drinks will be served. We are hoping to keep the rain away, but if it rains, we will still have a grand time. The cost for the dinner is \$20.00 and if there are openings for golf, that is another \$20.00. I hope to see you at 1616 Oil Well Rd., Jefferson City, MO 65101. The program lasts from 6:30-9:30PM. From 54 take te Missouri W exit, turn left on Cedar City Drive, turn right onto 391 Oilwell Rd, turn left on Oilwell Rd to Turkey Creek Golf Center, 1616 Oilwell Rd.

The Jefferson City Evening Rotary Club visited Building Community Bridges last Tuesday evening before our social event to deliver a \$700.00 check from our Community Funds still in the budget. This was approved by the board. Building Community Bridges has done a great deal in setting remodeling the facility on Ashley Street, and we felt it warranted to provide this worthy organization some funds to continue their efforts.

Pam Rich and Suzanne Richter have put in time to create a simplified grant related to Meds and Food for Kids. It is an exciting proposal and I will ask Pam to provide an overview during one of our upcoming meetings.

Do not forget, next Tuesday we fill bags for CASA kids so they have something special for their birthday! Please bring what you have committed to bringing!

Have a good week! Angie
