

President Zatuilla Nara's Weekly Bulletin June 13, 2022

I hope everyone had a great weekend. My neighbor in Madison had posted that there were some tree limbs on her roof and yard. The sky got really dark and gloomy and they thought it may have been a f0 tornado. Luckily, there was only one small tree limb in our yard.

Tomorrow's speaker will be Captain Justin Windell of the Salvation Army and he will present on the 100th Anniversary of the nonprofit. Justin is also a member of the Rotary Club of Jefferson City West.

Quote for the week: "We don't accomplish anything in this world alone..... and whatever happens is the result of the whole tapestry of one's life and all the weaving of individual threads from one to another that creates something."- Sandra Day O'Connor

Join us tomorrow to learn about this landmark anniversary and how the Salvation Army has served the most vulnerable communities in Jefferson City.

With gratitude,
Zatuilla
