Greetings JC Evening Rotarians!

Our August service project will be completed this coming Saturday, August 20, when we have the opportunity to help distribute filled backpacks at Building Community Bridges from 10 a.m. to 2 p.m. Thank you to all members who provided school supplies for these JC students.

At last week's meeting, Budget Committee Chair Harry Richter presented the 2022-2023 proposed budget. This week everyone will have a chance to participate in the discussion of this year's anticipated expenses and income. Please come prepared to ask questions, express concerns, and/or provide suggestions about the proposed budget.

The Membership Committee is scheduled to meet after our meeting this week and the Hospitality Committee will meet briefly after the meeting as well. **Committee and project chairs** — please remember that during our club meetings we want to hear what you are planning! AND... in preparation for D6080 District Governor John Horton's visit on August 23, all committee chairs will be requested to present a report during the club meeting that evening.

Wade Middaugh, Boys and Girls Club of Jefferson City CEO, last Tuesday shared with us the vast opportunities that they offer to Jefferson City's youth. This evening at 5 p.m., Monday, August 15, JC's Boys and Girls Club will be celebrating the opening of their new west end location at 1123 Charm Villa Drive.

Tuesday evening our program will be presented by Michelle Wessler, Executive Director of Jefferson City Housing Authority.

I hope to see you at this week's meeting! We will be enjoying snacks provided by Nick and Joan!

Take care!

Jeanne
