

Greetings JC Evening Rotarians!

Last Week...

We have now completed another service project! Much appreciation is extended to all of you who brought food and/or helped serve dinner at Salvation Army last week. Special thanks to Katte Distler for getting everything organized!

This Week...

Our speaker on Tuesday will be **Angela Hirsch**, Rape and Abuse Crisis Service. Cathy Libey and D'Arcy Crane will be greeting us at the door and Martin Reid will be providing snacks. And, we will celebrate the January birthdays of Anita Randolph, Jim Libey, and Nick Rackers!

Dues...

If you have not already paid your dues of \$50 for this quarter, you can give your dues to our treasurer at our meeting or a check made payable to *JC Evening Rotary Club* can be mailed to him: *Roger Freudenberg, 2918 Valley View Terrace, JC, MO 65109*

Please add this to your January Calendar...

On **January 31** we will be headed to State Tech College of Missouri. Nick Rackers will give us a tour and tell us about his experience working on Rotary's Rose Bowl Parade float. Nick will provide more details at our club meeting.

If you did not receive a January calendar through "snail mail," please let me know. I can bring a hard copy for you at our next meeting or send one via email.

Board Meeting...

The board will meet this week after our regular club meeting. On the agenda will be a review of Rotary guidelines for recording engagement service hours and donations, as

well as what additions need to be made to our calendar through June 2023. If your committee has something you want placed on the calendar, let a board member know or attend this board meeting to participate in the discussion.

Committee Chairs...

If your committee has met recently or been busy with a project or activity, please email a brief report to Cathy at clibey@live.com, or you are welcome to attend our board meeting and present your report in person.

Night to Shine — Volunteer Registration

Hopefully, you have had a chance to read the email about the *Night to Shine* event coming up on Friday, February 10, and have either registered to volunteer that evening or are seriously considering it. Once again, here is the link to register to volunteer: [Night to Shine 2023 — Volunteer Registration](#). This sounds like an excellent opportunity to serve at a very special event in our community.

Hope to see you Tuesday!

Take care.

Jeanne
