

Greetings JC Evening Rotarians!

Last Week...

During her presentation, Angela Hirsch, Executive Director of Rape and Abuse Crisis Service (RACS), described the work that she and her staff provide to those needing their assistance. She also emphasized the need for community awareness of their organization and its purpose. If you were not able to attend our meeting last week (of even if you were there), I believe you will find the information on the JC RACS website to be quite interesting — racsjc.org. Martin Reid is a board member of RACS and suggested this as a program for our club — thank you, Martin!

This Week...

Our speaker on Tuesday will be **Dr. Brian Norris, Lincoln University Professor**, who will speak about “Political Research in Colombia, South America.” Katte Distler will be greeting members at the door and will be providing snacks for us!

Members can choose to meet at Grace Episcopal Church at 5:30 p.m. in order to carpool to State Tech College where Nick will begin the evening’s program at 6 p.m.
