## Orphan Souls Shoe Collection Project

This year Districts 6040, 6060, and 6080 will be collecting new shoes of all sizes (adult and children) for orphans and turning them in at the Rotary Funvention on April 19-20 at Margaritaville at the Lake of the Ozarks. Rotarians from across the state of Missouri and all three districts will gather at Lake of the Ozarks at Margaritaville Resort for a **Shoe Roll Call**. Metro can help by collecting shoes of all sizes to donate to the cause. We are exploring a possible shoe vendor to partner with. If you purchase shoes, please turn them in by our meeting on Tuesday, April 16 so we can load them up for the Funvention.

You can participate by donating shoes (all sizes are needed) or you can click this link [Rotary 6080 Shoe Drive \(idonate.com\)](https://www.rotary.org/usa/rotary-6080-shoe-drive)

to make a gift. **Be sure to click the link and go to the bottom of the page and select Rotary Club of Springfield Metro when you make your gift to ensure our club receives credit for your donation.**

If each member of our club donated \$25, we would meet the \$500 match from our anonymous donor. Please make sure you follow the instructions and make sure you participate on behalf of the Rotary Club of Springfield Metro.

District 6080 has a history of rising to the challenge knowing that we gave 6040 a 23-year head start is a bit comical. So let us set the bar for their clubs going forward and embrace this competition to benefit those who are truly in need. The clock is ticking we must act quickly.

## Join the March Madness Membership Drive - Let's Grow Together!

Tomorrow starts the beginning of our Metro March Madness Membership Drive. The drive will be held from February 6 to March 31, 2024. We invite you to be the driving force behind our growth. Your enthusiasm and dedication make our Rotary Club vibrant, and we want to welcome like-minded individuals who share our passion for service and community.

We're seeking individuals who are service-minded, actively engaged in the community, and embody the spirit of a true Metro Rotarian. Your recommendations have a significant impact, ensuring that our club continues to thrive with members who are committed to making a positive difference.

Here's how it works. Members will earn points based on the following system:

- 1 point for inviting a guest, and they attend the meeting
- 3 points for bringing a guest
- 5 points for the guest completing an application and submitting it to the Membership Chair

Feel free to bring potential members to our meetings during this drive. Let's spread the word and showcase the incredible community we've built together. Thank you for your ongoing commitment to Rotary, and let's make this March Madness Membership Drive a success!

## Save the Date - All City Rotary Luncheon

The All City Rotary Luncheon is a special event where local clubs come together for fellowship. The event features a guest speaker and this year we are excited to hear from Art Haines. He **anchors pre- and** postgame coverage on WDAF-FM 106.5 The Wolf in Kansas City, and the 90-station Chiefs Radio Network, which is the largest in the NFL.

Art Hains has come a long way since almost losing his life to the West Nile virus with what ultimately turned out to be a diagnosis of the West Nile Virus.

Throughout the long ordeal that took him to several places, including Nebraska, the Springfield and Missouri Sports Hall of Famer had two goals that kept him going: some day getting back to Springfield and some day getting back behind the mic.

The luncheon will take place on Wednesday, May 8 at the White River Conference Center. More details to come about ticket pricing.

## Committee Sign Up on DACdb

At Springfield Metro we want to make all members fully engaged and the best way to do that is to sign up for a committee! We don't want to be a "Paul" (if you joined us at The Permit Shop you will get this) and we try to cut out unnecessary steps where we can. So please sign up for a committee using DACdb, using the following steps:

Login to DACdb  
Click on My Club tab on the top tool toolbar  
Click on Club Committees  
Click on Committee Sign Up - located on the left side of the screen  
Click on the box for the committee you want to join.

EASY PEASY!!!

If you are unsure of what a committee does, please reach out to the committee chair, and they will be happy to explain.
