### September 12 - Bears in Missouri with Josh Wisdom

Join us on September 12 for a presentation by Josh Wisdom. Josh is a wildlife damage biologist for the Missouri Department of Conservation. He is a Mizzou graduate and worked for USDA Wildlife Services for 8 years before coming to the Department 6 years ago. His career has taken him all around the Midwest with varied job duties including deer culling, being an airport biologist, a feral hog trapper, a disease biologist and removing pigeons in industrial areas. His career has always revolved around helping the public with negative human/wildlife interactions. Josh specializes in resolving conflicts with wildlife including, but not limited to human health and safety, property damage, disease monitoring and agricultural protection.

Josh covers the entire southwest region of Missouri and tasks can include mitigating aggressive Canada geese, beavers chewing trees down, coyotes eating lambs or the topic he will cover today-bears and their love of all things "food."

### September 19 - Chris Childers Big Brothers Big Sisters

Join us on Tuesday, September 19 for a special presentation by Chris Childers, VP of Community Outreach. More information to come.

### September 26 - Rotary on the Road to The Element

Join us for a behind the screens tour of The Element by Westin. This new hotel will be Sarah Sissel's new work home. The hotel is located in the heart of Springfield's Medical Mile and just blocks away to Mercy and Cox South campuses, offers balance while traveling. Intuitively constructed with an efficient use of space, and with a focus on sustainability, Element helps you stay connected, feel alive and balanced while you're away.

way to do that is to sign up for a committee! We don't want to be a "Paul" (if you joined us at The Permit Shop you will get this) and we try to cut out unnecessary steps where we can. So please sign up for a committee

using DACdb, using the following steps:

Login to DACdb  
Click on My Club tab on the top tool toolbar  
Click on Club Committees  
Click on Committee Sign Up - located on the left side of the screen  
Click on the box for the committee you want to join.

EASY PEASY!!!

If you are unsure of what a committee does, please reach out to the committee chair, and they will be happy to explain.

It is a great way to learn more about your club and to give your input on the operations of the club. Plus, it counts as a make-up if you need one.
