Dana Lopez with Dogwood Ranch February 21, 2023

Friday, February 3, 2023

Join us on Tuesday, February 21 for a presentation by Dana Lopez, CEO of Dogwood Ranch. This special organization was established by Dana and her husband Brian in 2008.

Dogwood Ranch was created by a family, for family. They believe that everyone deserves the chance to live the life for which they were created. Their mission is simple: to provide support for survivors of

trauma as they journey towards wholeness. This includes creating a new heritage for foster children and young people who have been abused and neglected, by providing them with safe and healthy forever families.

They are also committed to offering a place of belonging for foster teens through individualized transitional living services. Additionally, they offer specialized support through our equine assisted counseling program, which focuses on bringing restoration to foster youth and other at-risk populations, including our honored military veterans and their families. Through the operation of Dogwood Ranch, their desire is to allow those we serve a new way to experience life, family and true redemption. Everyone deserves a chance to find their way home.

Dogwood Ranch offers equine therapy (Healing Reigns), a community of foster homes (The Village), and transitional living space (The Haven).

Springfield Metro Weather Policy

By Sarah M. Watson on Monday, December 12, 2022

As we make our way through the winter months and have questionable weather from time to time, you might wonder if we will be having our meeting. Springfield Metro follows the Ozark Technical Community College night class cancellations for inclement weather. When OTC cancels night classes, we will not be having a meeting.

Committee Sign Up on DACdb

By Sarah M. Watson

At Springfield Metro we want to make all members fully engaged and the best way to do

that is to sign up for a committee! We don't want to be a "Paul" (if you joined us at The Permit Shop you will get this) and we try to cut out unnecessary steps where we can. So please sign up for a committee using DACdb, using the following steps:

Login to DACdb
Click on My Club tab on the top tool toolbar
Click on Club Committees
Click on Committee Sign Up - located on the left side of the screen
Click on the box for the committee you want to

join.

EASY PEASY!!!

If you are unsure of what a committee does, please reach out to the committee chair, and they will be happy to explain.
