Rotary Youth Leadership Academy (RYLA) Update

It's that time of year to hear from our RYLA students! This year we sent 4 students! On August 2, Lisa Sims will present about Rotary Youth Leadership Academy (RYLA), and we will also hear from students we sent this summer to come and share their experiences with our club. Please join us on August 2, 2022. This is why we Rotary!

Although all 4 students emailed Lisa following their RYLA experience, here is an email from Eva:

Dear Springfield Rotary Club,
The Missouri RYLA Academy has been such a great opportunity. I have learned so much, and made so many friends and connections from across the state of Missouri. It has exceeded my expectations in every way and has been more than an amazing experience. I want to thank you for making it possible. Something we did that was a personal highlight was the team building that we did the second afternoon of RYLA. It made me closer to my team, and helped us later when we were asked to all work on a service project together. My team knew each others strengths and weaknesses, we also trusted each other more and listened and respected others ideas and perspectives. It would be great to have the opportunity to thank your club personally, please let me know when it would be possible to visit one of your club meetings.

Highway and Its People, and *Father of Route 66: the story of Cy Avery*. She has written dozens of historical articles in the general press about Route 66, and is a popular speaker on the subject.

As a newspaper reporter, especially in Springfield, Kelly heard a lot about the early days on Route 66, and began collecting those stories. Later, she travelled extensively on what is left of Route 66 with photographer Quinta Scott when they were working on *Route 66*, a history of the old road. During those years, she became intrigued with Cy Avery and his role in laying out, numbering, paving and then making US 66 famous.

Kelly holds a Masters degree in American History from Saint Louis University and a bachelor of science degree from Purdue University. She is former editor and publisher of *Ozarks Magazine*, a critically-acclaimed travel and general interest publication about the Ozarks region.

She is a former Vice President of Corporate Affairs for Swiss-based Sandoz Agro and Director of Corporate Communications for Monsanto Company. As president of Kirkpatrick International, she continues to produce prize-winning executive speeches, annual reports, brochures, newsletters, web content and corporate magazines for organizations as diverse as the American Medical Association, Shell Oil, Monsanto, Halliburton and other Fortune 100 companies.

Today, she is editor of OzarksWatch, a magazine of Ozarks History and Culture published by the Ozarks Studies Institute of Missouri State University and author of a forthcoming book on longtime Ozarks journalist Lucile Morris Upton that will be published by the University of Arkansas Press. She and her husband Joel Kirkpatrick have three grown children and two grandchildren.

By Sarah M. Watson

At Springfield Metro we want to make all members fully engaged and the best way to do that is to sign up for a committee! We don't want to be a "Paul" (if you joined us at The Permit Shop you will get this) and we try to cut out unnecessary steps where we can. So please sign up for a committee using DACdb, using the following steps:

Login to DACdb
Click on My Club tab on the top tool toolbar
Click on Club Committees
Click on Committee Sign Up - located on the left side of the screen
Click on the box for the committee you want to

EASY PEASY!!!

If you are unsure of what a committee does, please reach out to the committee chair, and they will be happy to explain.

Perfect attendance is easy to achieve! If you have to miss a meeting and need a makeup, it's not a problem! Attend a meeting at one of our fellow Rotary Clubs, Rotaract, or you can do an online makeup.
