Dave and Dan - Trees are like Pornography

On October 8th Springfield Metro is excited to welcome Dave Coonrod and Dan Chiles!

Dave Coonrod

Dave was born and raised in Springfield, attended Glendale High (Class of 1971), and received undergraduate & graduate degrees for Missouri State University. He has a Bachelor of Science degree in Environmental Geology and a master's degree in Resource Planning. He served honorably in the U.S. Marine Corps.

Dave began his career with Greene County in 1980 as a land use planner and went on to serve 22 years as a County Commissioner, sixteen of those as Presiding Commissioner. He was founding director of the Watershed Committee of the Ozarks. Dave has also worked as a groundwater hydrologist for the Ozark Underground Laboratory and was Executive Director of the Ozark Regional Land Trust.

Although now retired, Dave remains active on several volunteer boards including service as President of the James River Basin Partnership. He also works closely with the Chiles family at Rockspan Farms and is involved with the Sac River Revenant, a riparian corridor restoration project. Dave and his wife Elisa live adjacent to the Sac River in western Greene County.

Dan Chiles

Dan is a native of Springfield and holds an honors undergraduate degree from Harvard University. With friends, he rode his bicycle to Alaska in 1978 and worked his way home. Dan and his brother Mike started a construction company in 1975 and they owned and operated a heat exchange manufacturing company for over 20 years. Dan holds 10 United States Patents.

He served as Springfield City Councilman and Mayor ProTem and has served on numerous boards and commissions throughout the community and state.

He is a principal in the Sac River Revenant, an ongoing project to restore riparian corridors along the beautiful spring fed Sac River (a major source for Springfield's drinking water).

Dan and his wife Margy live in a LEED Platinum-certified solar powered house on their family farm where they make their living as Missouri Department of Conservation Certified Tree Farmers.
