Anjanette LaBellarte-Gilbert Shares About Hospice Foundation of The Ozarks on 9/6/22

By Sarah M. Watson

Springfield Metro Rotary is excited to welcome back past member, Anjanette LaBellarte-Gilbert on Tuesday September, 6. Anjanette is the new executive director of the Hospice Foundation of the Ozarks.

LaBellarte-Gilbert comes with a wealth of experience in fund raising, business development, sales and marketing, most recently as Director of Business Development for Jenkins Executive Center. She formerly served as Senior Development Officer at Mercy Health Foundation, and as Director of Development - Major Gifts at Drury University.

As a community volunteer, LaBellarte-Gilbert has served as a board member for Women in Communications for nine years. She is also active with the Springfield Chamber of Commerce and a

chair for one of the committees.

LaBellarte-Gilbert was drawn to the mission of Hospice Foundation of the Ozarks because of being a hospice volunteer in the past and knowing how important dignity at life's end truly is.

The Hospice Foundation of the Ozarks provides community education and grants to organizations that are involved in end-of-life services and support. The priority is to promote awareness and commitment to end-of-life care in Southwest Missouri. "I am excited to help lead the priorities of Hospice Foundation of the Ozarks such as establishing high-impact mission-driven partnerships, delivering educational programs on the end-of-life topics and fundraising that ensures Hospice Foundation of the Ozarks sustainability."

LaBellarte-Gilbert is the third executive director in Hospice Foundation of the Ozarks 25-year history, following former Executive Director Kim Morelock.

Since 1997, HFO has given more than \$1.5 million in grant awards supporting innovative programs that respond to the unmet needs of those requiring hospice, palliative care, advance care planning, grief, and bereavement services. The Foundation has funded a range of grantees making important contributions in critical, yet often overlooked areas of need. Grantmaking is open to nonprofit agencies serving the people of Southwest Missouri.

Delicious wood-fired pizzas are cooked in a handmade New Mexico style Horno wood-fired earthen oven at ~800 degrees taking less than 3 minutes to cook. The pizzas are served buffet style where we offer 4 pizzas topped with our seasonal produce, one of which is a cheese option. Each week we harvest our seasonal, fresh, organically raised produce and create different kinds of pizzas that also feature other local meats, cheeses, sauces and vegetables.

Deb Wilson Sharing About O-STEAM on Sept 20, 2022

By Sarah M. Watson

O-STEAM | Promoting science, technology, engineering, the arts, and mathematics throughout the entire Ozarks region

On Tuesday, September 20, Springfield Metro Rotary is excited to welcome Deb Wilson. Deb is a retired educator, NASA Trained Teacher, Amazon Rainforest Instructor, and currently founder of O-STEAM promoting science, technology, engineering, the arts, and mathematics (STEAM) throughout the entire Ozarks region within four pipelines: Business/Industry/Manufacturing, PreK-12, Higher Edu, and Afterschool/Informal group. They showcase new inventions, patents, procedures, and techniques happening throughout the region. After traveling Missouri as the Exec. Director for Science Teachers of MO and seeing little to no showcase of STEM/STEAM events and opportunities, she founded

O-STEAM to showcase that "The Ozarks" can stand on the STEM dashboard internationally. O-STEAM spearheads and works in collaboration with area STEAM entities a creative and innovative event- The Ozarks Maker Faire as a catalyst to promote the area STEAM advancements through the international Make organization.
