**In mid-August, 2024, a 16-year old will arrive in Fayetteville from his home in the Netherlands.** He's fluent in German, good in English, enjoys basketball and bicycling. He will enroll in Fayetteville High for the 2024-25 school year. WE ARE LOOKING FOR VOLUNTEER HOST FAMILIES for a 3-month period. Hosting creates a new lifetime family member from another country, someone you will visit in the future. Learn more at [Scholarships](#)

[Rotarians, please consider posting this solicitation above on your Facebook page, or to friends by email, using whatever your social media outlets may be. Our churches are also likely to have families interested in youth exchanges. Contacting the Minister or youth director may be a good place to share this program. The student exchange is one of Rotary's best and most popular programs the world over. The host families do NOT have to be a Rotarian, although Rotarian host families are always very, very welcome. Our RYE Committee needs some big help to get this message out to
