Leadership Installed - we're ready for a great year!

Somehow it seemed appropriate that John Rains was installed in the rain! More than 150 Rotarians and guests assembled in rainy Sapulpa on Saturday evening, July 12, for the installation of Rains as Governor, along with his Assistant Governors, Governor Coordinators, and Club Presidents that attended.

The Waypoint Lounge, located in a former car showroom in downtown Sapulpa, was jumping with Rotarians and their families. A bank of gaming computers kept the younger set busy doing what is now called "eSports." Several members of John Rains' extended family were able to attend. The Route 66 theme was carried through the decorations and featuring a new District catchphrase, "All roads lead to 6110."

After a lively social hour and buffet dinner, a dozen Past District Governors each held the Governor's Gavel* and

offered a few words of advice and encouragement in a very touching tribute. Rains was officially installed by Past District Governor Cathy Webster, who serves as District Learning Coordinator (formerly known as a District Trainer).

Prior to the event, a Passport tour was conducted with Rotarians finding the fun corners of Sapulpa and seeing the sights. Marsha Jones and Amber Smith of Mt. Vernon Rotary Club team won a basket of goodies for their efforts.

The "G-Line" is United - and knows how to have fun!
(Immediate Past DG Warren, DGE Laura, DGN Tiffany and newly minted District Governor, John!)

*This is a very special gavel crafted out of wood from a tree planted by Rotary Founder, Paul Harris.
