Speaker: Lakisha Harper-Bradley "Art Therapy"

Greetings and welcome to another great week in Rotary Service!

This Thursday, invite your friends who want to meet new people in Fayetteville and listen to another great presentation that is relevant to our local area.

"Racism separates, but it never liberates. Hatred generates fear, and fear once given a foothold binds, consumes, and imprisons. Nothing is gained from prejudice. No one benefits from racism." —Thurgood Marshall, first Black justice in the U.S. Supreme Court, who argued the Brown v. Board of Education case and played a major role in the fight to stop racial segregation in the educational system

Let's keep demonstrating to our community what being a Rotarian is all about!
