What's Happening

Speaker: Jill Rohrbach - 100 things to do in Fayetteville before you die!

Hello Rotarians, we have another week full of opportunities to participate in Rotary Service through our Service Above Self Projects!

"The secret of getting ahead is getting started. The secret of getting started is breaking your complex overwhelming tasks into small manageable tasks, and then starting on the first one."

**Mark Twain
(1835-1910)**

This Thursday, I invite you to invite your friends who want to meet new interesting leaders in Fayetteville and listen to a great presentation about the 100 things to do in Fayetteville before you die! Hopefully, this will be entertaining and relevant to our city, our club and maybe Rotary International.

Let's keep demonstrating and putting on social media to our friends and community what being a Rotarian means!
