Greetings fellow Rotarians,

I've received messages from several people in the area that they are without electric power, and it is estimated that it won't be restored until Friday morning or in some cases, Friday evening. It is with this in mind and the fact that we are not sure of road conditions for tomorrow that we have made the decision to cancel tomorrow's Rotary meeting. Additionally, we must give adequate notification to Mermaids of our meeting cancellation.

Yours in Rotary Service,

Victor
