What's Happening

The Rotary Club of Fayetteville

Welcome to another week full of opportunities to participate in Rotary Service Above Self projects! "Juneteenth has never been a celebration of victory or an acceptance of the way things are. It's a celebration of progress. It's an affirmation that despite the most painful parts of our history, change is possible—and there is still so much work to do." – Barack Obama

I invite you and your friends who want to celebrate members of our Club receiving Paul Harris Fellows and recognizing Juneteenth to join us this week!
