### What's Happening

#### The Rotary Club of Fayetteville

Hard to believe it's football season already, but we have a home opener this weekend. I know we're all holding our breath to see how this second year under Chad Morris goes. The good news is we'd have to work extremely hard to have a worse season than last year. Go Hogs!

I'd like to thank everyone for attending our club assembly last week. To start us off, we were introduced to 4 new members. Well, 3 new members and 1 rejoining member. Be sure and help Warren Oxley, J.B. Dowden, Josh Medina, and Conrad Odom feel at home. We also heard from our Directorate leaders who all have some really good ideas to enhance the Rotary experience for everyone. Like we said, Rotary is more than just a lunch club and we want everyone to get involved. Speaking of getting involved, mark your calendars for these upcoming service projects. We will be cleaning our adopted highway of Mission Blvd. on Sept. 7th. Our Habitat for Humanity build day is on October 19th. The Fayro Charity Softball Classic will be held on October 11th, 12th, and 13th. While nothing is ever mandatory, this one is close. We must have high participation for this to work. Remember to submit your stories, etc. to the Rotary 100 year history email - 100fayro@gmail.com.

Just when you thought Thad Kelly was my trivia nemesis, John Threet steps up and takes over the role. If you missed it, John blurted out the answer without having his ticket drawn. The worst part was, he got the question correct. However, instead of paying him out the pot, I shamed John into matching the entire pot. There's an extra \$21 going to charity. Thanks for playing John (insert eyeroll here).

This Thursday we will hear from Kevin Metcalf, Deputy Prosecutor with a specialty in OSINT/Cyber Crime. Based on some of the e-mails I receive from Harrison, I would encourage him to attend.
