Life Style Impacts on Covid

We will be looking at the data on acute Covid cases and the role that obesity and weight issues played. We will discuss how these two health issues have a very negative impact on outcomes. We will briefly touch on lifestyle interventions that help improve our resilience.

DO YOU KNOW?

You can make up a missed meeting!

Attendance is important to Rotarians, but we understand that it can be hard to make every meeting. Rotary International bylaws state a member can make up a missed meeting within 2 weeks before OR after the meeting (+/- 14 days). *Attending our meeting on Zoom counts as regular attendance. Look for the link below!*

See opportunities in the weekly CHATs also.

What counts as a makeup?

- Attend a meeting of another club
- Attend a club function (board/committee meeting, service project, RYLA, Adopt A School, Work Day, etc)
- Attend a District Rotary Function
- Online Makeup - Go online at rotaryclubone.org to the Make Up page. Spend at least 30 minutes thoughtfully reviewing the content of your choice, mindfully applying the Four-Way Test as you
