DISTRICT NEWS

Rotary Youth Exchange Suspended thru June 30, 2021

Rotary International has made the difficult but necessary decision to **suspend both short-term and long-term Rotary Youth Exchange through 30 June 2021.**

In response to the COVID-19 pandemic, the RI Board continues to significantly limit or suspend all Rotary activities that require travel or in-person meetings. Although we were all hopeful that the situation globally would have stabilized enough to allow districts to safely resume exchanges, there is simply still too much uncertainty. We must do everything we can to protect our students, families, or volunteers from the risks associated with this dangerous disease.

Many districts are creating [virtual exchanges](#). RI will host a [webinar on 22 January 2021](#) to learn more about creating your own or participating in virtual exchanges.

In a related note, the South Central Rotary Youth Exchange (SCRYE) Winter 2021 Conference is a virtual conference that will be divided into 2 days, Jan 9 and 23. For more info contact Vickie Lombardi via email: [Vickie](#) or "Bow Tie" Todd Jenkins at [Todd](#)

Join us on the third Tuesday of each month for a **District 6110 Happy Hour** with DG Jay Craig. DG Jay will provide updates from Rotary International as well as providing information about what clubs are doing in our District.

Next Up: February 16th!

Presidential conferences showcase Rotaract

RI President Holger Knaack will hold three virtual presidential conferences that will showcase the leadership of Rotaract members and collaboration between Rotaract and Rotary around the world. Knaack said he chose to focus on Rotaract leaders because young people have the potential to reshape our organization: ♦The COVID-19 epidemic has made clear that we are living in a different world, a world dominated by young people with the foresight and drive to take advantage of rapid change. ♦The three events will be hosted from Brazil, 15-16 January; Nigeria, 22-24 January; and the United States, 14-16 May.
