Our Motto:

Having fun doing good in the community!

Our Mission:

Southside is home to the rowdiest Rotarians in Tulsa. We impact communities locally and around the world, provide leadership within our district, and mentor the next generation of Rotarians.

This Weeks's Meeting

Program: Charlene Fabian

Charlene Fabian is a veteran fundraiser who began her professional career in 1988. Prior to joining the workforce, Charlene was an experienced, full time community volunteer.

She received advanced professional training at The National Planned Giving Institute at The College of William and Mary. Charlene achieved recognition from the Association of Fundraising Professionals (AFP) as a Certified Fund Raising Executive (CFRE).

Charlene is a member and Past President of the Eastern Oklahoma Chapter of AFP and has been recognized by that organization as Fundraiser of the Year. Having distinguished herself as an effective fundraiser and planned giving advocate, Charlene became the Director of Development for Ronald McDonald House Charities in 2018. She and her dog Elle serve as a volunteer therapy team in the community so it was a **◆natural◆** for Elle to become the Ronald House Dog. Charlene was part of the leadership team of The Junior League of Tulsa at the time the League helped found Ronald McDonald House in 1991. **◆This is like coming full circle for me and I couldn't be more fulfilled than to represent the mission of keeping families close at a time when a child is critically ill.◆**

ROD: Steve Haas

Our Rotarian of the Day is Steve Haas. Steve has been a member of Southside Since January 13, 2005.

Steve was born August 28, 1945 in Kansas City, Missouri. He graduated from Nathan Hale High School, and attended Westminster College for two years and graduated from the University of Kansas with a Doctorate in Educational Administration. Steve moved back to Tulsa in 1978 after having taught and been a school administrator in Kansas.

Steve later worked at Coral Swimming Pool Supply Company. Steve and his wife, Nancy have three boys: Brian, 45; Richard 41; and Kevin 36; and a grandson named Oliver/ He and his wife enjoy boating, playing bridge and traveling.

Messages following the golf tournament:

From Kent: First of all, I want to thank all the Southside Rotary members and their spouses, and friends that helped this year's John Benjamin Memorial Golf Tournament be the successful Tournament that it was. I know I will miss some individuals because they did such a great job that I wasn't aware there had been a challenge that needed fixing. On every challenge that I was aware of, a volunteer stepped in and handled the issue, frequently making a better decision than my first recommendation. What a great group of people to work with.

I could not have done even a few of the things I did do correctly without Mercedes. I had no idea

on how to conduct Operations for a golf tournament. She really stepped up to the plate, and did a fantastic job of trying to get me prepared for a huge task. Any mistakes were mine, and not a reflection of her not doing her best to help me run the Operations for this Tournament.

Once again, thanks to every volunteer. You were great. You made a tough job a whole lot easier. People such as yourselves are the reason I joined Southside Tulsa Rotary.

Thanks also for all the great suggestions in the After Action Reports. Next year's tournament will be even better due to your ideas on how to overcome any of the challenges we faced this year.

A "thank you" from Laura Benjamin: Laura Benjamin thanks the club for everything we did to make the tournament possible. She said that neither Katy (John's step-daughter) or Piper (John's daughter) had been together since John's funeral, and they and the family all had a great time together! She has one request. She asked if we could provide her a list of all of those who donated so that her family members can identify friends who sent money as donations. She does not need addresses. One last thing: Laura said that if anyone heard the thunder that Monday night that was John saying "you're welcome for the great weather earlier!"

RYLA (ROTARY YOUTH LEADERSHIP AWARDS) 6110, OCT. 17th-21st

Rotary Youth Leadership Awards is a leadership training program that enhances your community's youth leaders in leadership and communication skills, while breaking them out of their comfort zones and encouraging service above self. RYLA gives students that confidence to spread their ideas to impact their community and world, while becoming life changers for those that they come in contact with.

Where: Salvation Army Camp, Welling, OK

Cost: \$300 per student. It takes a mere \$300 to impact a youth's life for the rest of their lives. Not only that but they will take the skills they have learned and utilize them in their every day lives while in their communities.

Our club works with both the Union and McLain Interact. These clubs have students who want to make a difference and are willing to put in work in order to learn and become even better leaders than they are now, and RYLA will teach them the skills they need in order to make that happen.

This year we would like to send 20 students, we can make this happen! We can make a difference in their lives so that they may go forth, pay it forward and make a difference--not only in their communities--but the world for the rest of their lives. We will also need drivers! People to drive students down to Talequah on the 17th and to pick up students on the 21st. Please speak with Brett Brough, Angel Harris, or Kathy Boyer on how to donate.

*The \$300 covers the cost of all meals, snacks, lodging, program materials, leadership development through Heart of the Hills outstanding low and high ropes course, all the Rotary knowledge one could ask for, entertainment, and other activities/items.
