Over the past few weeks, you have been invited to participate in the Make A Difference Experience.

We had a unique opportunity to be a part of a BETA test by Gateway for Good for a proposed Rotary platform which is designed to help club members determine their philanthropic pathway to providing service in the local community and world wide, and to assess the talents that members bring to the table to help execute the "service" identified.

This will also be a consensus building process, as we learn more deeply about what matters to the members of this club.

Our goal with this opportunity is to bring the entire club through this program.

We have set out to do three things through this process:

- 1) Learn members' areas of passion as they relate to philanthropy and service;
- 2) Inventory the talents that members have and enjoy applying to philanthropy and service;
- 3) Through the consensus of the survey, bring like interests together with the right talents for success.

We will meet Thursday to discuss what we learned and begin the next steps of working out the consensus for our club moving forward.

NOTE: Please review the ROD list at the bottom of the Bulletin to see when you are scheduled and start thinking about who you want to invite as speaker!

Laura needs YOUR biography, the SPEAKER'S biography, and the SPEAKER'S photo TWO WEEKS before you are ROD!
