CLUB NEWS COVID VACCINE DRIVE

**TUESDAY, February 23d
and
THURSDAY, February 25th**

From Monte:

This is a call for volunteers this week for both **Tuesday and Thursday**. I received an email from the Creek County Health Department and the POD at the First Christian Church in Sapulpa will be open both Tuesday and Thursday for vaccinations. Both days will be for the Moderna second shot (Booster), so all volunteers that got their first dose four weeks ago or earlier, will get their second booster shot this week, if you volunteer. I'm still doing two shifts, a morning (8:00 - Noon) and an afternoon (Noon - 4:00).

I know everybody wants to do the afternoon shift in order to get their boost shot, but please consider working the morning shift. If you work the morning shift, you can still come back around 3 - 3:30 and get your booster. I had a couple of volunteers a couple of weeks ago do this and we had no problem getting them in for their shot. So please, some of you consider the morning shift or work all day like some of us will be doing. The important thing is to volunteer, we will need your help.

Please send me an email of the day and shift you want to work. Thank you for your "Service above Self".

DISTRICT NEWS

DG Jay Craig's February Message:

The Rotary International Theme for the month of February is **Peace and Conflict Resolution**. What a timely theme for this time in our lives. Throughout the history of the world, and certainly during the time since the inception of Rotary, there have been innumerable conflicts and breaches of peace. Most of them have been resolved by diplomacy, and/or, compromise. However, many of them have been resolved by war. We, as citizens of the world, can only hope that we never see another war. I am, and have been for much of my life, a warrior. Many of the great Rotarians in the world, and in our district, have been as well. I cannot speak for them, except to say that I would bet that most of them agree with me, that we do NOT want another war. War is an ugly word. It implies so many horrid thoughts and activities. We Rotarians, as benefactors to the world, should do everything in our power to ensure that not one more person dies in battle. That is a good cause.

It all starts right here, in our own lives, our own communities, our own neighborhoods, cities, states. We must learn to live with each other in harmony. We must strive to do so. We do not, and should not, agree on everything. Discussion, discourse, and debate are what lead us to great discoveries. However, we should have these discussions in a peaceful manner. We may not agree on every issue. But, that does not mean we should hate the person with whom we disagree. There is too much hate in the world today.

Maybe we should teach the world our wonderful Four-way Test. It is a great way to judge ourselves by the things we think, say, or do, all without malice. Let each of us replace hatred with love. We

can do this. It all starts with us, and it can start now.

Join us on the third Tuesday of each month for a **District 6110 Happy Hour** with DG Jay Craig. DG Jay will provide updates from Rotary International as well as providing information about what clubs are doing in our District.

Next Up: March 16th!
