Carletta Denison has been a volunteer for Operation Hope Prison Ministry for more than twenty years and on the Board of Directors for the past ten years. She retired as Membership Director from the Petroleum Equipment Institute, an international trade association, after working there 42 years. At that point she was privileged to begin working part time for two prison ministries  Tulsa Redemption Mission and Operation Hope Prison Ministry.

Sandra Walling has been an intern at Operation Hope for more than a year and is responsible for client intake and also data input of client information.

Christina Jardee is involved in client intake and helping with input of financial records and donation information.

Robert Thornton is currently working at Operation Hope doing remodeling and painting of the office because Operation Hope awarded him with a scholarship to provide construction tools.

### ROD: David Hughes

David has a long history with Southside Rotary, beginning with his dad, David L. Hughes. Known by his friends and club members as Dave, he became a Southsider right after the club  charter, served as Club Service Director in 1960-61, and Vice President in 1961-62. David s mom, Dorothy Louise Hughes, was a Rotary Ann during that time!

David was proposed by Harold Lamp  Lamprich and inducted into Southside on November 2, 1992. He is a Paul Harris Fellow, R. I. Benefactor, SouthSide Star, and Past President serving 2007-08. His wife asked him if Southside could help the school where she was teaching and Southside began working with Springdale Elementary School over 20 years ago! David has maintained perfect attendance in Rotary since his induction to the Club in honor of Mr. Perfect Attendance Lamp  Lamprich, his Rotary mentor, who never missed a meeting in his 40+ years as a Southside Rotarian!

David began his full-time career selling real estate in 1982. He is a licensed broker and was with the same company for the 30 years until last year when they were purchased by the largest real estate

company in Oklahoma, and the oldest major company in Tulsa, McGraw, Realtors. With many friends and long-time colleagues at McGraw, David sees this as a perfect fit for him. He has been the Greater Tulsa Association of Realtor's Sales Associate of the Year, has served as a director for the Greater Tulsa Association of Realtors, and has served as a director of the Oklahoma Association of Realtors, and Northeast Oklahoma Real Estate Services, Inc.

David is a past Trustee of Asbury United Methodist Church where he plays trumpet and fluegel horn in the Asbury New Covenant Orchestra. For many years he played and toured with the gospel big band, Tulsa Praise Orchestra. He co-leads a men's group with his sons that is designed to help men grow deeper in their walk with Jesus Christ.

He currently enjoys riding his high performance Harley, college football, & taking Leslie and the kids and grandsons to the Colorado Rocky Mountains for occasional wilderness camping (but usually renting a nice cabin), horseback riding, fishing, shooting guns, and hiking with their dogs!

David & Leslie have been married for over 40 years, and they live in The Cabin Grill & Lounge, a house that was the airport restaurant and office for Tulsa Commercial Airport in the 1940's! They have two sons, a daughter, a daughter-in-law, and born Jan 21, 2012, two wonderful red-headed grandsons named Hunter and Jamison Hughes, who wrestle competitively, and wrestle granddaddy! The boys have taken center stage with David & Leslie! Those little guys are each living proof of God's creative perfection & His amazing love for us!

## DICTIONARIES

It is that time of year again!

From Monte:

It's now time to do dictionaries. I'm attaching two files. The first is the teams and the assigned schools. The second file is the Excel file to send to the schools to gather the names to put in the dictionaries. Do not try to call the main office of Tulsa Public Schools, they will not give you a complete list of students. By dealing directly with each school, we have a better chance of getting a complete list of the 3rd grade student names. Please call the schools first and ask for the principal or principal assistant and let them know what you are needing. Most have dealt with the Rotary dictionaries before and are eager to give you the student names. Once you have made contact, please get an email address to send the Excel file to and then have them fill it out and send back to you. Once you have the filled out file with the student names, please forward to me and I will print off the labels.

We will setup a time to go over to Lynn's business and gather your dictionaries. Then you can put the names in each dictionaries. Unfortunately, we are still in a pandemic, so the schools won't let us pass out the dictionaries directly to the students. So we will have to contact the schools and just deliver them to the school. The staff and teachers will pass out the dictionaries to the students.

Please let me know if you have any questions. Once you get this email, please get with your team partner and call your school to get the names ASAP. We are running out of time before end of schools to get the dictionaries delivered.

In Rotary Service,

Monte McNutt

## MEMBERSHIP and TEAMS

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership.

To that effect, they have established eight teams to help foster greater connection and support

# SOUTHSIDE MEMBERSHIP TEAMS

It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any other club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

## Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
