Program: Alice Townsend with The Red Cross

In October 2019, the American Red Cross named Fort Gibson resident Alice Townsend Regional Chief Executive Officer of the Oklahoma Region. As part of a national realignment, she now serves as the Regional Chief Executive Officer of the Kansas- Oklahoma region where she helped shepherd the regional response through the 2020 pandemic. Townsend also serves as the Executive Director for the Northeast Oklahoma chapter where she oversees 18 counties.

Prior to the Red Cross, Townsend served as Regional President of Sales at Encompass Health, Home Health division where she had oversight of sales operations in the Western U.S. and collaboratively worked with operations to ensure financial success of over forty locations.

◆It◆s the honor of my lifetime to serve alongside dedicated volunteers, generous donors and a mission-focused staff,◆ Townsend said. ◆Every day, I get to see hope in action through our work with military members, blood donors, those affected by disasters and others who come to the Red Cross during their darkest times.◆

DICTIONARIES

It is that time of year again!

From Monte:

It's now time to do dictionaries. I'm attaching two files. The first is the teams and the assigned schools. The second file is the Excel file to send to the schools to gather the names to put in the dictionaries. Do not try to call the main office of Tulsa Public Schools, they will not give you a complete list of students. By dealing directly with each school, we have a better chance of getting a complete list of the 3rd grade student names. Please call the schools first and ask for the principal or principal assistant and let them know what you are needing. Most have dealt with the Rotary dictionaries before and are eager to give you the student names. Once you have made contact, please get an email address to send the Excel file to and then have them fill it out and send back to you. Once you have the filled out file with the student names, please forward to me and I will print off the labels.

We will setup a time to go over to Lynn's business and gather your dictionaries. Then you can put the names in each dictionaries. Unfortunately, we are still in a pandemic, so the schools won't let us pass out the dictionaries directly to the students. So we will have to contact the schools and just deliver them to the school. The staff and teachers will pass out the dictionaries to the students.

Please let me know if you have any questions. Once you get this email, please get with your team partner and call your school to get the names ASAP. We are running out of time before end of schools to get the dictionaries delivered.

In Rotary Service,

Monte McNutt

CONGRATULATIONS!

Brian Huddleston's son Will has been accepted to OSU and will start there in the Fall!

(Do you have good news that you would like to share with the club? Email Laura and let her know!)

THANK YOU!!

President David sent me an absolutely STUNNING bouquet with a lovely message, and I felt I had to share it with the club!

Southside is a like a family to me and I feel so blessed to be able to have such incredible people in my life. Being the bulletin editor is an absolute joy and privilege, and I love seeing all the new things our club and others in our district are up to!

Thank you David, and thank you everyone for all the support you have given me over the past year!

Social Calendar for the Year

This certainly has been a different kind of year. Your fellowship committee is still working on ways for us to gather for fun and fellowship in a safe manner. Watch this space for updates in the coming months!

MEMBERSHIP and TEAMS

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership. To that effect, they have established eight teams to help foster greater connection and support

SOUTHSIDE MEMBERSHIP TEAMS

It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any other club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
