Program: Southside Surprise!

Join us Thursday out on the patio of Ti Amo's for what John is calling "Southside Surprise!" (I already asked, and this will *not* involve tuna).

We will be learning more about some of our fellow members as they stand and share some of their history with us. No one knows who will be part of the surprise*! Or what they will share with US! (*except, of course, John. And the members who will be speaking. And probably David Cobb. And anyone the Surprise Members have told. To be quite frank I might be the only one out of the loop).

The weather is looking like it will be lovely so come on out and enjoy some delicious food as we learn more about some of the members in our Rowdy Club!

ROD: John Daries

John grew up in Encino, CA, in the San Fernando Valley. Until 2011 he lived within 30 minutes of the beach, where he enjoyed surfing, scuba diving, ocean fishing, motorcycling, playing football, racquetball, handball, and tennis, leadership in church youth group, and playing guitar.

In college he tried mixing all of the above with a football scholarship at Cal State Univ Northridge, an engineering major, and an active social life. It didn't work, so he lost his scholarship and changed to an accounting major. He held a variety of jobs during college, including custodian, ditch digger, campus police desk clerk, campus information booth attendant, door-to-door curb number sales, Amway sales, and fulltime work in the oilfields during summer vacations. He often slept in his car...or in class.

He married his best friend and "little sister" Jackie in 1972, just before his senior year in college. They returned from their honeymoon to a letter stating that John was scholastically disqualified from CSUN. Panic! He begged his way back in and learned that some of his records had been lost or destroyed in the 1971 San Fernando earthquake. After graduation (which John didn't attend) he went to work for a Los Angeles CPA firm and became tax department manager after 2 years.

John and Jackie moved to Salinas, CA in 1976, where their first child was born prematurely 4 weeks later. The firm grew to 4 offices, 55 employees, and 5 partners with John as tax partner. He earned an MBA in taxation in 1980 (skipping commencement) and was self employed from 1984 to 2009. In 1995 he earned an MA in psychology/counseling (skipping commencement again) and interned as a Marriage & Family Therapist while running his fulltime CPA practice. In 2001 he sold most of his accounting practice and became CFO/Controller of a high-end country club in Monterey for 8 years.

Blood cancer (multiple myeloma) brought John's working life to a screeching halt in 2009. After chemotherapy, radiation, and autologous stem cell transplant he is exceedingly thankful to still be alive, still enjoying life with Jackie and doting over our two happily married children, Jim & Heather, and their 5 extremely loved grandkids, which incidentally were all born after his year of intense cancer therapy. He counts himself a blessed man.

Future Meetings Update:

Southside is planning on meeting IN PERSON at Ti Amo's on the Patio
APRIL 1ST

This is not an early April Fool's joke (unless the weather plays a joke on us!)
Further details as we get closer so keep an eye out for more information!

PROGRAMS 2021

The full ROD list for the rest of the year is posted at the bottom of the newsletter

Please take a look and get in touch with Steve Gray and Jordan Taylor about your program, and be sure to send Laura Tapp the info **2 weeks** in advance of your scheduled day.

Thank you!

CLUB NEWS

With the decrease in COVID cases and increased availability of vaccines, Southside is currently planning on resuming In-Person meetings.

The current plan is to meet at Ti Amo's ON THE PATIO
starting
April 1st [not a joke, promise! :)]

It WILL still be hybrid for those who do not wish to meet in person.

DICTIONARIES

It is that time of year again!

From Monte:

It's now time to do dictionaries. I'm attaching two files. The first is the teams and the assigned schools. The second file is the Excel file to send to the schools to gather the names to put in the dictionaries. Do not try to call the main office of Tulsa Public Schools, they will not give you a complete list of students. By dealing directly with each school, we have a better chance of getting a complete list of the 3rd grade student names. Please call the schools first and ask for the principal or principal assistant and let them know what you are needing. Most have dealt with the Rotary dictionaries before and are eager to give you the student names. Once you have made contact, please get an email address to send the Excel file to and then have them fill it out and send back to you. Once you have the filled out file with the student names, please forward to me and I will print off the labels.

We will setup a time to go over to Lynn's business and gather your dictionaries. Then you can put

the names in each dictionaries. Unfortunately, we are still in a pandemic, so the schools won't let us pass out the dictionaries directly to the students. So we will have to contact the schools and just deliver them to the school. The staff and teachers will pass out the dictionaries to the students.

Please let me know if you have any questions. Once you get this email, please get with your team partner and call your school to get the names ASAP. We are running out of time before end of schools to get the dictionaries delivered.

In Rotary Service,

Monte McNutt

This certainly has been a different kind of year. Your fellowship committee is still working on ways for us to gather for fun and fellowship in a safe manner. Watch this space for updates in the coming months!

MEMBERSHIP and TEAMS

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership. To that effect, they have established eight teams to help foster greater connection and support

SOUTHSIDE MEMBERSHIP TEAMS

It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any othe club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
