## Program: Merna Gill - "How Cuba led me to Rotary"

District 7680 Rotarian, Merna Gill has made Cuba her mission for the last seven years. As a retired teacher, she mentors students here and abroad in their entrepreneurial development.

### DICTIONARIES

It is that time of year again!  
From Monte:

It's now time to do dictionaries. I'm attaching two files. The first is the teams and the assigned schools. The second file is the Excel file to send to the schools to gather the names to put in the dictionaries. Do not try to call the main office of Tulsa Public Schools, they will not give you a complete list of students. By dealing directly with each school, we have a better chance of getting a complete list of the 3rd grade student names. Please call the schools first and ask for the principal or principal assistant and let them know what you are needing. Most have dealt with the Rotary dictionaries before and are eager to give you the student names. Once you have made contact, please get an email address to send the Excel file to and then have them fill it out and send back to you. Once you have the filled out file with the student names, please forward to me and I will print off the labels.

We will setup a time to go over to Lynn's business and gather your dictionaries. Then you can put the names in each dictionaries. Unfortunately, we are still in a pandemic, so the schools won't let us pass out the dictionaries directly to the students. So we will have to contact the schools and just deliver them to the school. The staff and teachers will pass out the dictionaries to the students.

Please let me know if you have any questions. Once you get this email, please get with your team partner and call your school to get the names ASAP. We are running out of time before end of schools to get the dictionaries delivered.

In Rotary Service,

Monte McNutt

## **MEMBERSHIP and TEAMS**

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership.

To that effect, they have established eight teams to help foster greater connection and support

# SOUTHSIDE MEMBERSHIP TEAMS

It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any othe club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

## Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
