Computer for Sale

This is your last chance to purchase the club's laptop for only \$250. The computer is in good shape. In fact, Mike Bibby took it on a test run and attended our meeting virtually with no problem. It is an ASUS model X551 SonicMaster. 16" screen – not touchscreen - with 6 GB RAM and 1 TB hard drive. It uses an Intel Core i7 processor at 2.4 GHZ. Power cord but no accessories. The computer was purchased around 2017. It has Microsoft Office and the Google Chrome browser. To purchase, or if you have questions, please contact **Mike Bibby**, at hogfanman@cox.net

Jim Blackburn Stories Needed

The person writing the article about Jim Blackburn for 6110's newsletter needs some statements, anecdotes, or just little things about Jim from our members. Jim was a true gentleman, deserving of anything we can supply for this feature District article. Thanks a million for anything you can convey.
