Tulsa's Indoor Dump, as well as other locations around the city will accept recyclables and you can check out their handy interactive map here: <https://feedmrmurph.com/locations/>

Rotarian of the Day

Jeff Roberts, one of our more recent joiners, is VP of Engineering and Operations with Branch Communications. He can often be found supporting his son's band at some of the indie music venues around town. We recently enjoyed

a presentation from Jeff about wireless communications, and what a vast network – as well as dynamic industry – is behind the signals we take for granted but increasingly could not live without. Jeff is married to Laurel.

Departing Sunrisers

As you know, Stan Grogg has been sending pix from Sanibel, FL, his new home. Along with the estate sale he notes below, it's pretty obvious he be departing Sunrise, and that has happened. He is joining a Sanibel Rotary Club. Keep in touch, Stan! We already miss you.

We're also bidding to two very good Sunrisers: Evan Taylor and Brian Henrichs. Both had personal and family schedule conflicts with early AM meetings. They are still in the Rotary fold though: Brian is going to Southside, Evan to Will Rogers. Come make up with us, fellas.

Sunriser Estate Sale by Stan Grogg

Hello every one. Our 2nd and last Estate sale at 4520 S. Birmingham Place is on Thurs, Fri and Sat June 23, 24 and 25.

Special Guest Column

by A4A Sponsorship Chair Barney Tonquest

Be a Sponsor, Find a Sponsor

Simply stated, in order for **Appetizers for Autism** to be successful, we will need your support. This is where you and I come in.

Over the next week or so, a Sponsor Team member will contact each of us to see if we can support **A4A** with the purchase of a sponsorship or tickets to the event.

Sponsor Team members are: Joan Freeman, Randy Coffman, Mark Welty, Gary Miller, Jim Conner, Jessy Poole and Barney Tonquest. Each has 6 or 7 Sunrisers to contact.

As you know, COVID19 forced us to forego any fundraisers for the past two years. As a result, our Sunrise Foundation has been using asset income AND the sale of assets to fund our support for worthy autism causes, scholarships and support for other local non-profits whose programs we value.

Obviously, over time, this is not a sustainable way to fund our support for local and international education, health, food and housing needs. Thus,

our hope that every Sunriser will support **A4A**. Thank you.

If you have a sponsorship prospect you think our sponsor team should contact or a suggestion, please contact Barney Tonquest at 918-740-8885 or bgt.rotary@gmail.com

Words to Live By from Linda Ortega

Laffs R Us

Another

Last summer, down on Lake Isabella, located in the high desert, an hour east of Bakersfield, CA, some folks, new to boating, were having a problem. No matter how hard they tried, they couldn't get their brand new 22 foot boat, going. It was very sluggish in almost every maneuver, no matter how much power they applied. After about an hour of trying to make it go, they putted into a nearby marina, thinking someone there may be able to tell them what was wrong. A thorough topside check revealed everything in perfect working condition. The engine ran fine, the out-drive went up and down, and the propeller was the

correct size and pitch. So, one of the marina guys jumped in the water to check underneath. He came up choking on water, he was laughing so hard. Under the boat, still strapped securely in place, was the trailer!

And...

DID I SAY THAT? Police in Los Angeles had good luck with a robbery suspect who just couldn't control himself during a lineup. When detectives asked each man in the lineup to repeat the words: 'Give me all your money or I'll shoot', the man shouted, 'That's not what I said!'
