Program Preview

LeadLearnLive began in 2012, when two parents were searching for opportunities to help their son reach his full potential after high school. Julie and Tom Lackey decided it was not OK that their son and hundreds of others with Down syndrome, autism spectrum and similar disabilities have to go out of Oklahoma to continue their education.

Their impassioned, grassroots effort quickly gained the attention of parents and subject matter experts, which led to a solid strategy to begin affordable, comprehensive programs throughout Oklahoma. The effort has included presenting to hundreds of people across the state to raise awareness, including conferences, support groups, transition fairs, state agency representatives and to members of our legislature, including working to enroll HR1065 which urges the development of these programs in Oklahoma. LeadLearnLive has built an impressive

board and advisory board of national and local experts that will ensure the programs are modeled after top programs in the country that result in life-changing outcomes in independent living and employment.

Rotarian of the Day

Bob retired from a career in the retail oil business with Gulf, Getty, Texaco and Shell oil companies in 2004. In 2005, he began working for Magellan Midstream Partners in Project Management and more recently in Asset Integrity. Bob

joined Sunrise in 2013. The first thing he volunteered for was to manage the Sunrise Rotary Dictionary/ Literacy Project. In 2014 he joined the Board as Director of Vocational Services. He and his wife Lynn have been married for 34 years. They have twin sons, Matt and Mark. Matt lives in Broken Arrow and has been married to Emily for 2 years. Mark lives in Corinth, Texas and has been married to Audrey for 9 years. They have two daughters, Ellie & Kalie.

NEEDED: TREASURER IN TRAINING

Mike Bibby has been a superb Treasurer for Sunrise for many years. It is a time consuming job that needs a dedicated club member, quick learner, and accuracy freak to step up and allow Mike to show you the ropes. Know that if you take the position of Treasurer in Training you will immediately receive a gold crown!

Thank You! - *Martha Lowe, Pres.*

Appetizers for Autism – One Month to Go!

By Barney Tonquest

Holy Cow...A month from today Sunrise Rotary is hosting Appetizers for Autism! Each of us should be working to welcome a crowd that believes, as much as we do, in helping individuals and families with Autism.

To ensure our success and a robust gathering, please respond positively to our goal of having every Sunriser attend as either a table sponsor or a ticket holder.

To make sure every Sunriser has an opportunity to sponsor a table or buy tickets, one of the following volunteer Sunrisers should have already or will be contacting you seeking your support for Appetizers: Joan Freeman, Mark Welty, Jessy Poole, Jim Connor, Randy Coffman, Gary Miller and Barney Tonquest.

Great! Now that you've made your commitment to support and attend our event, please contact your boss, banker, car dealer, travel agent, realtor, doctor, and your favorite aunt or uncle and offer them the opportunity to support our Autism programs and cause. These professionals want you to know how much they

appreciate your business. Previous sponsors should be especially good prospects.

Simply stated, a successful Appetizers for Autism event will depend on your support and work.

If you have a sponsorship question, suggestion or a prospect you think our sponsor team should contact, please contact Barney Tonquest at 918-740-8885 or bgt.rotary@gmail.com
