

#### **District Governor, Pam Crawford**

February - Month 8 of the Rotary year. We are having a great year! We are getting our Facebook pages and road signs updated to the correct brand. People are giving to the Rotary Foundation - both the Annual Fund and Polio Plus, but please don't wait until the last week of June; your gift may not be recorded in the correct year. And our January membership numbers are very positive, but we can't stop inviting people to our clubs and gaining new members; watch for the March Membership Madness contest!

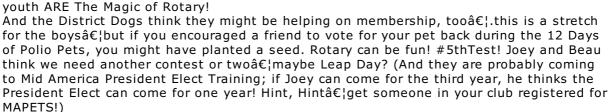

Let me comment a bit more on membership this month. All of our clubs have a unique culture. That is what has made this year a fantastic experience to visit your clubs and help on your projects. What is important about all the projects is the outreach to a

community; our potential new Rotarians are just waiting for the right experience and to be asked.

February 1 found me with Assistant Governor Coordinator Brett Brough, and District Governor Nominee Designate Laura Garrett in Owasso, OK as the Owasso Rotary Club had announced their new "Vial of Life†program in partnership with the Owasso Fire Department. (See article later in this Newsletter) They have had newspaper and TV coverage of this event. Every document related to the Vial has the correct Owasso Rotary Club logo on it. Will someone come join? Maybe. Is it telling the community that the Owasso Rotary Club cares about their community? YES! I would highly recommend looking up this program. I'm sure Owasso would be glad to talk to you. This definitely answers YES to the question: "Would your community miss you if the club closed?â€

On February 3, I made the trek to Bella Vista, AR to help with their Winter Fest. This is a children's indoor carnival, and that day it was raining, and parents were glad for a way to entertain their children with games, balloons, face painting, and more. I had so much fun running the Tic Tac Toe beanbag toss. And getting to know the Rotarians; they have a lot of Kansans in that club! And I was TOTALLY honored with a balloon crown; I was Queen for a Day! (I promise - I won't let it go to my head! LOL!) In every child's bag was a flyer about Rotary. This is a growing club; will the flyers get them new members really quickly? Hard to tell. But the club gave to their community; the parents won't forget (the children won't either!).

I had the opportunity to meet our 2024-2025 outbound Rotary Exchange Students at MSNI and SCRYE on January 26-27. What a great bunch of young people! These are the future of Rotary. We learned that one of the Ft. Smith, AR exchange students (2016-2017) has recently joined the club. Welcome Evan! Future Rotarians…inbound and outbound! Looking ahead…I believe our

I know  $\hat{1}a\in \mathbb{T}^m$  m missing all kinds of things that our clubs do that help in membership $\hat{a}\in \mathbb{T}^m$  have Christmas parades, fund raisers, trivia events, dictionaries, etc. The fall 5ks and now the upcoming spring 5ks in the communities! And golf tournaments (little round balls and Frisbees)! Keep up the good work of supporting your communities  $\hat{a}\in \mathbb{T}^m$  who knows where you may plant a seed that may blossom into membership! Our service is part of our membership outreach.

The District and Rotary International both have money to help on membership publicity and membership events. District Membership Chair PDG Jayne Lowe (Bentonville) listed some things that qualify: a paid social media campaign, prospective member events, developing and supporting a new club, and Rotary branded materials. But the best thing is to call her or <a href="mailto:emailto

See you somewhere in my travels…I'm so honored to be serving you as your District Governor!

After being in the club for several years and joining committees and eventually the Board, I realized that I was a part of a wonderful organization with an outstanding group of individuals. Our core members in the Pittsburg Noon Rotary Club show a consistency and a

passion that doesn't seem to fade year over year. I have found myself wanting to become part of that core to continue the amazing reputation and to perpetuate our positive impact on the Pittsburg community.

#### **Owasso Rotary Club: Vial of Life**

The **Rotary Club of Owasso**, in partnership with the **Owasso Fire Department**, has launched the *Vial of Life* program for home-bound seniors and residents. The program is nationally recognized as saving countless lives each year by providing emergency responders with life-saving medical information during an emergency.

If your senior parent or another family member had a medical emergency and were by themselves, they might be unconscious or confused. If so, who would provide the crucial medical information that EMS personnel need in an emergency? Even if awake and aware, people don't always remember details in a crisis. This is when the free Vial of Life kits can save a life!

"The Vial of Life Kit is designed to speak for the residents

when they can't speak for themselves."

Vial of Life Kit: Each Vial of Life Kit contains

- Two Decals/Stickers (the stickers are branded with "Rotary Club of Owasso" and our website <u>owassorotary.com</u>)
- One Medical Information form
- One zip-lock sandwich baggie

#### **How it Works:**

- **Step 1**: The resident answers questions about their health history and medications on the medical information form. Do not add social security number.
- Step 2: Place the completed medical and insurance information form in the baggie and securely tape it on the refrigerator door using one of the stickers. Include copies of additional medical information: If you have a chronic heart condition, include a copy of your most recent electrocardiogram (EKG). Also include any relevant documents, such as Advance Directives, copies of driver's license, Veterans health care cards, copies of insurance cards, copies of Medicaid or Medicare cards, and do-not-resuscitate (DNR) order (signed Oklahoma document).
- **Step 3**: Place one sticker on the refrigerator door, taping the baggie to the refrigerator, and one on the front door at eye level.

If the resident must be transitioned to the hospital or an urgent care facility, the free Vial of Life kit travels with them. When the emergency personnel arrives, the kit can be given to hospital medical and administrative personnel. This creates a seamless transition of medical information that allows hospital caregivers to provide needed services sooner.

Lindsey Williams, Owasso Rotary Club President, notes their goal "besides assisting residents, is to separate the Owasso Rotary Club from other civic and non-profit organizations and place our brand name in a situation that benefits everyone in the community. People are at their optimal awareness in a medical emergency."

Tulsa's TV Fox 23 did a recent story on the project, click here.

Many of us can point to a time when we "got it" and became a Rotarian...not just someone who goes to club meetings. Please share your experience and send your "Rotary Moment" to DPIC Wally Bloss wbloss@gmail.com

It would be hard to select a single Rotary Moment as being the most significant. But the very first moment came when Travis Adams took me to PETS. Just fellowship with Rotarians who have that special glow that comes from Service Above Self at PETS, District Events, and International Conventions has been a consistent heartfelt highlight. The emotional thank you to Van Buren Rotary for our club grant coming from

the head of the Malawi Children's Village was a truly special moment. He came from Central Africa to describe how hundreds of orphans were eating all of an ear of corn to survive and how the gift had an immediate impact on so many lives.

Watching people from India kneeling and touching our feet in appreciation of Rotary's ongoing role in making such a difference in their villages was humbling and gratifying.

Listening to a Belize club president express how much "fixing the children's lips†had impacted his community and signing together another grant application on the banks of a river.

Being involved with Shelter Box and the Altus Area Sunset club helping with terrible tornado destruction relief resulted in multiple moments. And, seeing the real appreciation for Rotary our District Simplified Grants create is very touching.

Meeting good people from local communities and learning about their efforts and accomplishments and sharing in the synergy Rotary creates. That's a Rotary Moment I am sure is shared with many others throughout the world.

#### **February is Peace Month**

#### What if?

What if we started thinking about Rotary as more than a collection of service clubs and started thinking of ourselves as a global peace building force?

Just imagine, Rotarians building a world beyond war. Learn more about our organization and how you can join us to spread the message:

#### Rotary's Four Roles in Promoting Peace

#### Rotary and its members are:

- Practitioners: Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.
- Educators: Our Rotary Peace Centers have trained more than 1,700 peace fellows to become effective catalysts for peace through careers in government, education, and international organizations.
- Mediators: Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.
- Advocates: Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.

#### We support peace

The Rotary Action Group for Peace gives Rotary members resources and support to advance peace efforts and turn ambitious ideas into life-changing realities.

#### **Paul Harris Society Needs YOU**

By Michele Gann

As we all know, Rotary started from the vision of one man, Paul Harris. His idea was to form an organization for local professionals where ideas could be shared, and meaningful friendships could be made. February 23, 1905, saw the first meeting of this fledgling group â€" a meeting that included only 4 men.

To honor our founder and promote his legacy, the Paul Harris Fellowship program was established in 1957 to show appreciation and recognition to those who contribute \$1000 total in cash or "points" to the Foundation Annual Fund or other approved funds.

The **Paul Harris Society** recognizes Rotary members and friends of the Rotary Foundation who elect to contribute \$1000 (or more) **each year.** The Society was promoted/administered by individual Rotary Districts until it

became an official Rotary Foundation recognition program in July 2013. Currently, the Society has expanded to include more than 30,000 members in 152 countries. Our District 6110 has 182 members, or more than 5% of all District 6110 Rotarians. I would love for you to help make that number grow by considering membership in the Paul Harris Society. In recognition of your dedication and support, PHS members receive a chevron to place on their Paul Harris pin.

A Paul Harris Society brochure and sign-up form are available on rotary.org and also are attached to the Newsletter email. Also available on the Rotary website (and attached) is the sign-up form for Rotary Direct â€" probably the easiest way to achieve your annual commitment. Please contact me at mg36799@qmail.com if you have any questions.

My Rotary moment happened before I became a Rotarian. In 2003, my pastor invited me to join him on a trip to Liberia, Africa, which had been in 17 years of civil war. Needless to say, there was much poverty, destruction, and homelessness, but the situation there has since improved. Around the capital city of Monrovia there were 5

crowded displacement camps with 40 to 50 thousand people each. In one of those camps, we went to an orphanage. We stepped out of the vehicle and the children gathered around. One the girls, who had witnessed both her parents murdered by rebels, came to where my pastor knelt on one knee. She sat on his knee and asked him three questions;

Do you love me?

Will you take me home with you?

Will you come back for me?

Obviously those questions shook us to our core. After we got back home, I could hear the same questions still being asked. It wasn't being asked by the Liberian orphan girl but I could see it in the eyes of veteran with PTSD as he still fought the war in his mind, as he wondered, "does anybody care?" I could hear it in the voice of the second grader as we handed him his first book of his very own. As heard the question being asked in the town square of Saltillo, Mexico as the crippled man dragged his legs which could no longer hold his body. I could see it in his eyes as he was asking, "Does anyone love me? "

That is why I joined Rotary, so I could tell as many as I can, "YES, somebody does love you and will do everything we can to make your life betterâ€.

WE ARE ROTARY, AND WE ARE CHANGING THE WORLD !!!

# The Rotary International Convention: Creating unforgettable moments and enduring friendships

By John Rains

The Rotary International Convention: Creating unforgettable moments and enduring friendships.

I have had the privilege of attending several RI Conventions around the world, from San Antonio to Atlanta in the US, to Toronto Canada and Seoul, South Korea abroad. Each one was special, unique, inspiring, and, for me, eye-opening to the enormity of Rotary.

My experiences at International Conventions have taken my Rotary journey to a higher level through the understanding that I am a part of the greatest collection of like-minded people â€" dedicated to creating and sharing hope through acts of service locally and around the world.

Join your fellow District 6110 Rotarians and those from around the globe at this year's Rotary International Convention and create your own Rotary experiences!
