

Rotary

District 6110

It's Monday - Let's Serve to Change Lives!

By Kevin Merrill

"Serve with Excellence!"

Good morning Leadership Team!

(Trying a different format this week - please let us know if you notice any issues.)

This year we would love to see our Interact and Rotaract Clubs be more involved with our District. Both have been invited to the District Training Assembly and Presidents-Elect Training Seminars, so please let these two groups know they are valuable and welcome. Invite them to work with you on club projects and fundraisers!

DG Jay Craig has requested only current AGs attend the leadership call tomorrow morning.

Tonight is the "Adapting Club Culture" via Zoom and Wednesday, Celeste Herbert, our Regional Gifts Officer will be our guest at 5:30 PM via Zoom.

District 6110: Rotary Foundation Impact

There is tremendous good being done in District 6110 and across the world as a result of Rotarians. Much of this work is powered by the individuals who choose to support The Rotary Foundation, yet many Rotarians are unaware of how powerful each contribution is and how, together, they transform into active projects. Join us to uncover the Foundation's work in your area, and how your advocacy and support help.

Learn how you can impact D6110:

ONLINE SEMINAR

Wednesday, March 10

5:30 - 6:30pm

Check out the Official Visit Flier (please start sharing with Presidents-Elects):

District Governor Kevin Merrill Official Visit Options

In an effort to start planning Club visits, please consider the following four options. Let me know what works best for your club as soon as possible with preferred option and potential dates.

Option #1 Regular Meeting Visit

It will be an honor to visit your regularly scheduled club meeting and be the program for that day. Meeting with your Board Members before would be appreciated.

Option #2 Special/Social Event

Are you planning a special or social event during the 2021-2022 year? It would be a highlight for me and Lisa to celebrate and spend time with you and your club. At some time during the event, I could give an informal presentation and answer any questions your members and guests may have.

Option #3 Service Project

While serving as an Assistant Governor, one of our favorite things to do with clubs was a service project. Working side by side with fellow Rotarians is truly rewarding and we would be honored to make a difference in your community. At some time before or after the event, I could give an informal presentation and answer any questions members and guests may have.

Option #4 Zoom / Facebook Live

We have all been challenged this past year that has caused us to stretch our comfort levels. Clubs have been affected around the world and meeting in person in some cases is not desired or possible. I will be happy to accommodate what you are most comfortable with.

Serve to Change Lives, Serve with Excellence!
