It's Monday - Let's Serve to Change Lives!

Rotary

SERVE TO CHANGE LIVES

"Serve with Excellence!"

Good morning Leadership Team!

(We're still testing the new format - please let us know if you notice any issues.)

I want to thank each of you for your support during Saturday's MAPET District Training session. I have received a lot of positive input and look forward to this Saturday's meeting.

This Wednesday at 5:30 PM is the District Training Assembly training for Facilitators and interested leaders. You will need to register in advance for this meeting.

Click here for registration --> [DTA Training Session #1](#)

Registration is now open and you can find that in the District DACdb calendar. Please reach out to Cole if you need any assistance. Here is the working agenda for District Training Assembly on 04/10/2021. Please share this information with your clubs!

"Serve with Excellence!"

Please see the letter below from Rotary International President-Elect, Shekhar Mehta and share with your incoming President-Elects and Nominees. Hopefully it will inspire them and make them look forward to Saturday's meeting.

Dear President-Elect,

I am happy to know that you are having your President-Elect Training Seminar for the 2021-22 Rotary year. Your term as President will be the most amazing, fruitful months in your life. During your term in leadership, dream big using your vision, plan and set goals, and then inspire and motivate Rotarians to reach goals – goals to expand the reach of our organization by increasing membership and increase the impact of Rotary by serving the world.

One of my mantras in Rotary has always been Do More, Grow More. And I hope you too will take this on as your mantra. “Do More” as in bigger and impactful service projects and “Grow More” as in increasing our membership.

As we want to do more, we must also grow more. Our vision is to reach 1.3 million by 1st July 2022 and our plan is “Each One Bring One.” It is not a difficult task, I am sure, to bring just 1 member each in the next few months.

But for this to become a reality it is YOU who will have to sharpen the focus in ensuring that the message “Each One Bring One” reaches every member in your club. I repeat, I request, “EVERY member” in your club should bring one. And I expect you to lead by example and be accountable for this growth.

In the coming Rotary year, I request you, urge you, cajole you to serve people, and to help change their lives. So friends, our theme for the year, as you know, for the year 2021-22 is “SERVE to CHANGE LIVES.”

My friends, these sound like great challenges for you – but I see them as your chance to leave a lasting impact on Rotary. Your service will change lives for people around the world and will make millions more to think of the good work of Rotary. This will benefit our efforts to grow bigger, and that growth will make even more lasting good work possible.

We embark on starting this virtuous cycle and a new era in Rotary. Thank you for becoming leaders in our organization and for making the commitment to reaching these important milestones together.

Sincerely,

Shekhar Mehta

President-Elect, Rotary International

Lastly, this bulletin "It's Monday - Let's Serve to Change Lives" is intended to limit the amount of emails you receive from the District. Please consider doing something similar with your club President-Elects, Nominees, and Rotaractors in your area between now and July. Keep in mind that "It's Monday - Let's Serve to Change Lives" goes LIVE to the District in July!

I appreciate those of you who left feedback on this format of communication. Please feel free to make suggestions as I am open to hearing your ideas!

Yours in Rotary,

Kevin Merrill
District Governor-Elect
Rotary District 6110
"Serve with Excellence!"
