## District 6110 Newsletter

### Editor's Note

By Wally Bloss on Monday, June 13, 2022

This is the final District 6110 Newsletter of Governor Kevin Merrill's 2021-2022 Rotary Program year. It has been a great year, with clubs "back in action" providing service in their communities and beyond.

Watch for a SPECIAL NEWSLETTER EDITION on July 1 focusing on the District 6110 leadership team selected by incoming Governor Cathy Webster for the new Rotary year. It will include biographical information and photos of the incoming and continuing Rotarians who have accepted the call for District Service.

### Welcome New Rotarians June, 2022

Have you welcomed a prospect to Rotary? New members bring new ideas and additional support to Rotary. You can ask a prospect to help deliver dictionaries, or pick up trash with you, or help with whichever action project your club does. Get their hands dirty and they'll be interested!

Virtually ALL of these new members listed below were asked to come to a meeting or project and subsequently joined their club.

[Rotary International President Shekhar says, "Each One, Bring One"](#).

Imagine if EVERY Rotarian in your club brought JUST ONE prospect to a meeting or project - it would add many new members.

Rogers Downtown Rotary Club new members Mike Maloney (L) and Gina Bokker with Club Sergeant At Arms Larry Edwards

Please welcome these new Rotarians who were added since our last newsletter:

## District Governor Column June, 2022

By Kevin Merrill

And just like that, another Rotary year is in the books. WOW did that go by fast! It has truly been an honor to serve you this year as District Governor. Lisa and I want to thank you for allowing us into your clubs, projects, fundraisers, and socials.

One of the highlights this year was spending additional time with new friends because of our lifestyle. Many clubs have used this year's theme "Serve to Change Lives" to share Rotary's main purpose. District 6110 is full of amazing people willing to make a positive impact in their own community and communities around the world through TRF.

Keep up the great work and if I can be of any assistance to you or your club in the future, just let me know.

Be on the lookout for year-end information on Foundation giving, Membership #'s, etc. in the "It's Monday" pmail.

On the road again (still)

WHAT'S THIS ALL ABOUT? DG Kevin and Lisa have been all over the district seeing the great work all our clubs do in their communities and internationally. He wants us all to "end strong!"

## Welcome to the New Class of Graduates

We're proud to announce the 2022 Graduates of the District Leadership Academy. As noted in last month's newsletter, this group of Rotarians from across the district began their studies last fall in the District 6110 Leadership Academy, or DLA for those who are fond of abbreviations.

The seven-month advanced education program helps prepare those Rotarians who are interested in learning more about Rotary, looking to participate in future leadership positions and to find more effective ways to conduct Rotary work -- within clubs or in district Rotary service. Some of the graduates are already doing district-level service, others are now primed to help their clubs and beyond. All the graduates will be awarded their certificates at the District Conference in September.

**Dr. Laura Garrett** will continue to serve District 6110 as an Assistant Governor in Oklahoma. She is Assistant Professor of Psychology at Tulsa Community College and Community Educator for the Alzheimer's Association. Dr. Laura has a Doctorate of Education from Oklahoma State University with a Graduate Certificate in Gerontology, a Master of Human Relations from the University of Oklahoma, and a Bachelor's in Consumer Affairs from Kansas State University. Laura joined Rotary in 1999. She has been a member of small clubs like El Reno, where she served as President, and also served as a board member at the Rotary Club of Downtown OKC, one of the largest Rotary Clubs in the world. She was named the Outstanding New OKC Rotary Member in 2017. She is currently a member of the Rotary Club of Tulsa Sunrise where she serves as the Youth Services Chair. Laura was also recently appointed as the District 6110 Youth Protection Officer, and spoke at the Houston RI Convention. She is a Paul Harris Fellow +2 and serves as a member of the District Membership Committee. She has two children; Sarah is a graduate student at Washington State and Rob is an undergrad at University of Southern California. Congratulations!

**Joe Grisolano** continues as Assistant Governor Coordinator for Kansas and Missouri. He has been the Crawford County, KS, Treasurer since 2005. He holds a Certified Kansas County Finance Executive from Fort Hays State University, and a Certified Public Administration Finance Master from the University of Missouri St. Louis. In 2012, Joe was awarded the Betty J. McBride Outstanding Kansas County Treasurer of the year award.

Joe joined the Pittsburg Rotary Club in 2006, and served as Membership Chair, Club Administration Chair, President and Assistant Governor. In 2018, he was named Pittsburg Rotarian of the year. He is a Multiple Paul Harris Fellow and a member of the Paul Harris Society. Joe has been married 45 years to Debbie, a retired teacher, and they have two sons, a daughter in law, and three grandchildren. He enjoys

singing in the choir of his small Methodist church. Congratulations!

**Barney James** has been a member of the Rotary Club of Tulsa for 23 years, and Leadership Masters Toastmasters for 15 years. Upon graduation from Oklahoma State University with an accounting degree, he served as a Leadership Consultant with Delta Upsilon International Fraternity, traveling to college campuses across the United States and

Canada. He returned to Tulsa in 1980 to start a twelve-year sales career before opening his own company, Tulsa Temporary and Personnel Services. In addition to Rotary and Toastmasters, Barney previously served as President of the Oklahoma Jaycees, the Booker T Washington High School Soccer and Golf Booster Clubs, and the board of Leadership Tulsa after graduating from class 19. Barney was born in Joplin, Missouri, but is proud of the fact that he has had all of his birthdays as a Tulsan. Congratulations to Barney James on his graduation from the District Leadership Academy!

**Ananda Jayawardhana** continues District service as Assistant Governor in Kansas and Missouri. A native of Sri Lanka, he is a Professor of Mathematics at Pittsburg State University, Pittsburg, KS. He has been married for 30 years to Yaso, a surgical nurse practitioner.

He joined the Pittsburg Rotary Morning club in 2004. When the Boxing Day Tsunami hit the Indian Ocean countries, killing 230,000 people, Ananda raised \$7,000 for relief and his club sent that money to a Sri Lankan Rotary Club to help rebuild a school. Ananda served as the Pittsburg Morning club President in 2014-2015. Since 2013, he has chaired the Polio Eradication effort, is a multiple Paul Harris Fellow and an honorary member of the

virtual Rotary Club of Network for Empowering Women.

Ananda received a PhD in Mathematics from University of Missouri, Rolla in 1998 and has been a professor at Pittsburg State University since then, attaining the grade of University Professor in 2018. Diversity issues are very close to his heart, and he has been involved in state level diversity activities of the Kansas Board of Regents since 2007. Congratulations on being a DLA Grad!

**Sonia Larimore** continues her position as an Assistant Governor in Kansas. Sonia doesn't consider her role as director of Assisted Living at Windsor Place a job. For her, it's more like a chance to spend quality time with good friends. She honed her people skills early while working at her family's restaurant, then opened her own drive-in burger joint and operated a catering truck which she sold in 1989.

Just weeks after earning her Bachelor of Science degree in Human Resources Management in 1998 from Oklahoma Wesleyan University, she started her career at Windsor Place. A 2006 Leadership Coffeyville graduate, she served on the program's board of trustees. She currently serves as Immediate Past President for the Kansas Center for Assisted Living and has served as state leader for the National Center for Assisted Living.

Sonia was President of the Rotary Club of Coffeyville in 2017-18, and has been an Interact Club sponsor. She is a Paul Harris Fellow +3, Paul Harris Society Member. She enjoys training service and therapy dogs.

Her standard poodle, Boomer, is a certified therapy dog. Sonia and Rodney, her husband of 28 years, have two sons and two granddaughters. Thanks, Sonia, for

Rodney, her husband of 28 years, have two sons and two granddaughters. Thanks, Sonia, for

continuing your service to District 6110!

She is the former President of Leadership Tulsa, The Margaret Hudson Board, the Oklahoma Jaycees and the Oklahoma JCI Senate. She is active with the American Institute of Architects Eastern Oklahoma, chairs the annual golf tournament, and serves as board liaison to Leadership Tulsa's youth program - Tulsa Changemakers. Karen joined the Rotary Club of Tulsa in 2017, and currently serves as Director at Large; she previously served as Youth Service Director and Community Service Director. She was honored to receive Rotarian of the Year for her club in 2020-2021. She notes that she cannot believe all that she has learned in this course, and highly recommends it to anyone who wants to learn more about Rotary. Congratulations to

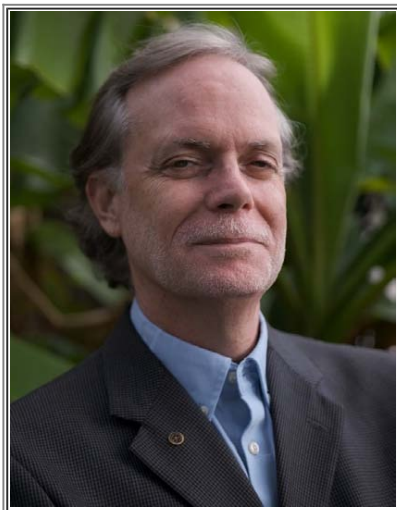

Karen and we look forward to your additional service!

**Vicky Mieseler** has been a licensed psychologist and health service provider in Missouri since 1993. She serves as Chief Administrative Officer and has been employed at Ozark Center, a part of Freeman Health System, for 38 years.

Vicky is a graduate of Missouri Southern State University and Pittsburg State University. She is married to Steve and has two daughters, Lauren and Emilie, and four grandsons, Hunter, Baylor, Karter and Tucker. Vicky joined the Rotary Club of Joplin in October 2018, is a Paul Harris Fellow, and chairs the Club Administration Committee and the Wine Tasting Fundraiser.

She becomes President of the Joplin Rotary Club on July 1. Well done Vicky!

Bryan Osborne**, is an Assistant Professor of Computer Science at Oral Roberts University with more than two decades of IT industry experience, as well as a background in business, management, and marketing. He holds a Doctor of Computer Science degree from Colorado Technical University, a BS in Computer Science from Arkansas State University, and an MS in Atmospheric Science from Texas Tech University.

As a strong believer in life-long learning, Osborne has made a habit of turning every role he has filled into an opportunity to learn and to teach, "In the brief time we have on the planet, we should continually strive to better ourselves, and use what we learn to better the lives of others," he said.

Osborne was a member of the Rotary Club of Southside Tulsa from 2009-2015, serving as President in 2014-15. He returned to Rotary in 2021 after completing his doctoral degree and will become President of

the Rotary Club of Southeast Tulsa on July 1.

Robert has been a member of the Joplin club for 14 years, following time with Rotary clubs in Magnolia and Blytheville, Arkansas; Cullman, Alabama; and Paducah, Kentucky throughout his career.

Robert serves as chairman of the club's Community Fund Board of Directors. He is a major donor and member of the Paul Harris Society, currently the Secretary/Treasurer of the club, and will be President-Elect of the Rotary Club of Joplin starting in July. Congratulations to Robert!

### Joplin Rotary Club Forms a S'Mac Down team

The Joplin Rotary Club recently entered a team in the Boys and Girls Club of Southwest Missouri's **S'Mac Down** event, operated by fellow Rotary club member Rhonda Gorham. While the intrepid Mac and Cheese slingers did not win, they represented the Joplin Rotary club and had a great time.

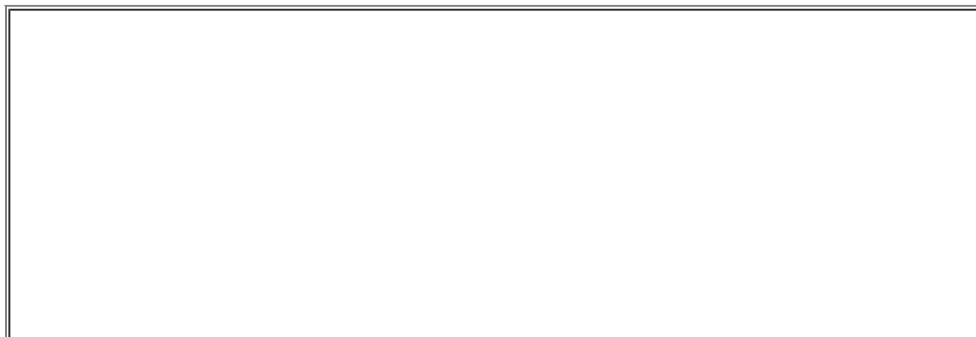

Current Joplin Rotary Club President (left) Stephanie Brady is pictured with new club member Nathan Hicks, and veteran macaroni-slinger Sid Davis.

The club had some consolation in that another club member, President-Elect Vicky Mieseler and her Ozark Center team took home the coveted Golden Noodle Award. Doesn't that just boil your pasta!

## Home School students thank Mt Vernon Rotary Club

This year, the Mt Vernon Rotary Club found a way to provide dictionaries for 3rd grade home-schoolers. What great idea and a heartfelt response!

ps - many clubs get these handwritten notes of thanks. Be sure to pass them around at club and board meetings. Maybe even send a few to the local newspaper (with permission from the writer). Maybe make a file for them, or a scrapbook to give to the outgoing President. Hmmm....

## Rotary 101 - June 2022 - Happy New Year!

By Wally Bloss

*Rotary 101 is a monthly column highlighting the many facets of our wonderful organization.*

**Happy New Year!**

New Rotary Program Year, that is!

Yup, it's almost time to close out 2021-22, put away this year's old theme logos, and begin a new year of service all over again! In these last few days of the year, be sure that your club has made its Rotary Foundation contribution. Make sure your secretary or someone else verifies that the roster of members as shown on DACdb is accurate - if someone is leaving the club on July 1, don't find out AFTER you have paid their next year's District and RI Dues.

Here's some thoughts as you approach the new Rotary year:

- Consider a formal **ceremony** to install your new leadership. Some clubs have a large end-of-year banquet, ending with an installation ceremony to begin the new year. Others "pass the gavel" at a regular club meeting, and others just start July 1 with the new President leading. Attached to this newsletter find a few simple ways to make the transfer of leadership a thoughtful, meaningful event.
- Make a **news release** to the local media about the new officers - get their names and photos in newspapers, and on TV/Radio.
- Ask your outgoing President to make a **year-end report** on all the activities the club has done - it may surprise you how many service opportunities your club has provided!
- **Honor those** who have done their part in the past year - you can spend a bunch of \$ or just keep it simple. Most of us do not need another mug or plaque, but the club could consider a simple gift to the outgoing leaders.

### Starting the new year

- Be intentional - have each of the committee chairs tell the club their plans for the new year.
- Set the tone - let the club members know what is expected of them.
- Add your goals to Club Central on the Rotary Website. (see attached)
- Be sure new members are involved in committees and/or projects.
- **Retire** last year's theme logo from the website, from the Social Media accounts
- **ADD** the new 2022-2023 theme logo where the Rolf one was.
- Be sure you enter the new year with the **correct Rotary Logo** - the old "Blue wheel" is now out of date by almost 10 years!

WHAT'S THIS ALL ABOUT: Rotary has so many parts it is hard to keep track of them all. This is a series of several primers on Rotary.
